Vol. 17 No. 8 St. Albert & Sturgeon

Wednesday, February 25, 1976

IT WAS A GREAT DAY for 100 year old Youville Home resident Sophia Hepburn February 19th. She's seen here [front centre] celebrating her birthday with [from left front] son Clarence Hepburn, 61, of Peachland, B.C., and [far right front] son George Hepburn, 68, of St. Albert. Also in the picture are 21 year old daughter of Clarence, Pat Hepburn of Peachland, B.C., and [back row right], 31 year old daughter of George, Sharon Antoniak of Calgary.

## Sophia Hepburn - 100 years young

"I feel pretty good," said Mrs. Sophia Hepburn of the Youville Home on Thursday, February 19th, her 100th birthday.

Mrs. Hepburn attributes her long life to trust in God, hard work and love of people.

"I've led a good life. I didn't drink or run around; I stayed home and looked after my children and husband. It was always 'Hey Ma' around the house," said Mrs. Hepburn.

When asked about the changes she had seen in her lifetime Mrs. Hepburn replied, "They're all for the better, I think."

Mrs. Hepburn whose maiden name was Holman, was born in Osseo, Wisconsin in 1876. She moved to Hanna, North Dakota where she met and married Andrew Hepburn in 1904. The same year

they left for North Battleford, Saskatchewan. They travelled as far as Humbolt, Sask. by train, but a washed-out bridge forced them to finish the journey by horse and buggy.

They started out on a homestead just outside of North Battleford and later they moved into town.

In 1943 the Hepburns moved from North Battleford to Jasper Place. In 1960, after six years of illness, Andrew Hepburn passed away. Last September Mrs. Hepburn moved to the Youville Home.

The Hepburns had three children. Ruby, who died three years ago, Clarence, who lives with his family in Kelowna, B.C., and George, who is a resident of St. Albert.

Clarence, his wife Elona

and their two daughters, Pat and Margie were present to share this special day. Ruby, (Mrs. Leeder), had one daughter, Mrs. Blanche Wilson from Ottawa, who was also present at the birthday party. Mrs. Wilson has four children of her own, Gordon, Barbara, Judy and Sharon. George and his wife Ann have a daughter Sharon. Sharon, her husband Bob Antoniak and their son and daughter,

## First Brownie Pack celebrates birthday

The lady who led the first Brownie pack in St. Albert, Mrs. Eleanor Hitzlberger, attended the 20th birthday of

her pack last Friday evening.

Mrs. Hitzlberger, now living in Fort Saskatchewan, opened St. Albert First Brownie Pack in the Community Hall, February 4, 1956.

Her daughter, Mrs. Judy Cholowski, also of Fort Saskatchewan, was a member of that first Brownie group. Mrs. Cholowski accompanied her mother to the party.

Another member of the original pack, Miss S. Zylha, Edmonton, also attended. Sharing honours with Mrs. Hitzlberger were Mrs. Jean Dobie, who followed her as leader, and more recent leaders, Mrs. Joan Parkins and Mrs. Jean Kane.

The birthday party was arranged by Mrs. Muriel Heselwood of the present First Brownie pack at St. Alexander Mackenzie School on Friday evening, February 20th. The refreshments were provided by the mothers of the 1st Brownie pack who are to be heartily thanked for their contribution.

## Bottleneck continues at 137th Avenue and Trail

Tired of the bottleneck at the intersection of the St. Albert Trail and 137th Avenue?

It looks as though you might have to put up with it for some time to come.

Although the provincial government has plans to improve the Trail and 137th Avenue intersection by building additional approaches and special left and right hand turn bays over the next two years, this will only make a slight improvement to the traffic situation.

The real cause in the traffic bottleneck in this area is that the four lane highway on 137th Avenue west to the Trail peters out long before it reaches this point.

The problem begins at 113th Street and intensifies beyond 127th Street.

The City of Edmonton which owns the land between 113th and 127th Streets claims that it cannot proceed with the road widening west of 127th Street because that land is owned by the MD of Sturgeon.

However, Edmonton is presently putting in the sewer lines needed for the widening in its own jurisdiction within 113th and 127th Streets.

This at least seems optimistic, but it should be pointed out that funds for the upgrading of 137th Avenue to a four lane arterial

highway west of 113th Street have not been included in the Edmonton 1976 Engineering and Transportation Department budget.

And the widening of 137th Avenue is not even tentatively planned for 1977.

Even if the section of road between 113th Street and 127th Street is widened for four lane traffic, the bottleneck problem will not have

## Luck with complex evades St. Albert

Although the council of St. Albert is having bad luck trying to get a new major regional shopping centre, other communities near Edmonton are not in the same difficulties.

St. Albert council just broke off negotiations with Abbey Glen Properties Ltd. last Monday over plans for a \$16 million shopping centre in the town.

Within an hour's drive of Edmonton six communities either have or are getting new shopping centres.

This month construction is expected to start on the first

phase of a 170,000 square foot centre in Fort Saskatchewan.

The \$6.5 million project, an addition to the existing 6,400 square foot centre will include a twin theatre, 60 room hotel, Canada Safeway Limited store, department store and other smaller stores.

The centre is being built by Urban Realty Limited, a subsidiary of National Land Consultants Ltd.

In Leduc, construction began two weeks ago on a \$3 million, 65,000 square foot

Hard at work in the District #3 office, is Irene Koller (left) and Loretta Bertram (right), who are working on a new project set up by the St. Albert Catholic School District and funded by LIP grant through the federal government.

## Unique service offered through L.I.P. Grant

A unique project has been initiated by the St. Albert Catholic School District No. 3. It involves central receiving and distribution of all instructional materials and central processing of all media and library materials. At this point the project is funded by the federal department of Manpower and Immigration.

Prior to the establishment of the service library materials were processed at each school in the district. Librarians, freed from the tedious and time consuming task of preparing materials for shelving, can now devote much

more time to library instruction and in-service for teachers.

All instructional materials are now centrally received and distributed on a daily basis to all the schools in the district. The project employs one full time processor and one full time shipper-receiver. The service is located in the District No. 3 office and operates from 8 a.m. to 4 p.m. daily. The sponsor is R. J. Chaput, supervisor of Instructional Media for School District No. 3. More information on this project can be obtained by phoning 459-3640.

A Thinking Day ceremony was held on Sunday at St. Albert Parish Church to conclude Scout-Guide Week. Representatives from each of the participating groups proudly formed the colour party which presented the flags to the many dignitaries in attendance.

Bradley and Jody were here from Calgary to see Mrs. Hepburn. Also present was Len Hepburn, Mrs. Hepburn's nephew.

A crowd of about 60 friends and relatives were on hand to celebrate this special occasion. Mrs. Hepburn was presented with a corsage when she entered the room, and was escorted to her chair by her sons, George and Clarence.

The birthday party was held in the assembly room of the Youville Home. At the front of the room was a chair for the guest of honour. To one side of the chair was a gift and card table with a floral arrangement of birds of paradise, and to the other side an enormous birthday

cake and a bouquet of red roses were on display. The cake was decorated with pink roses and 100 candles were waiting to be lit.

In the centre of the room another table, set for tea, was adorned with pink candles and a lovely basket of flowers.

There were several tributes to Mrs. Hepburn on display. These included messages from Prime Minister Trudeau, Premier Lougheed, Lieutenant Governor Steinhauer, MLA Ernie Jamison, Mayor Cavanagh, Marcel Lambert, MP for Edmonton West and Robert Stanfield, former Opposition Leader.

Special guests in attendance at the party are: Ken Newman, previous mayor of Jasper Place, Rev. Hart Canelon, minister of Central United Church, Glen and Elsie Berry, Vance and Cecile Berry, Mr. and Mrs. John Grave, Mr. Ed Savoie, and Dr. Reddington from Edmonton.

## Bottleneck

been solved, but only sent further down the road.

The problem will have been placed fairly and squarely in the MD of Sturgeon's court.

And an official of the MD of Sturgeon, Secretary-Treasurer Alphonse Nott said Tuesday afternoon that the

MD would go along with the improvements for 137th Avenue (west of 127th Street) but that the City of Edmonton had not asked for any negotiations recently.

According to a report in the Londonderry Colloquium the MD has been approached on the matter "only once, three years ago." Mr. Nott said Tuesday afternoon, "We have not had a meeting (with Edmonton) because the city has always opposed anything we have proposed on the other side (east of 127th Street)."

Mr. Nott felt that the initiative on future negotiations lay with Edmonton.

It seems then that the cause of the bottleneck at the intersection of the St. Albert Trail and 137th Avenue is a failure of positive communication between the MD and the City of Edmonton.

"As yet the City of Edmonton has not been able to negotiate a deal with the MD for the use of that land," a City of Edmonton official says.

The official estimates that negotiations broke off more than one year ago. He added that the latest offer by the MD of Sturgeon "wasn't a very economic proposition," for the City of Edmonton.

Meanwhile residents of St. Albert and north east Edmonton are hoping that negotiations get underway again soon.

Otherwise "meantime" could drag on into 1978.

area to include a Canada Safeway Store, department store and other smaller shops.

The centre is being developed by NA Properties Ltd., a subsidiary of Meridian Management Ltd., and the centre is expected to open in October.

Spruce Grove will likely be getting its third and largest centre according to a Melton Real Estate spokesman.

That firm is subdividing the land now and will likely be ready to announce plans and reveal who tenants are some time this spring.

Melton also developed the town's first shopping centre, Grove Plaza, about four years ago.

Less than 20,000 square feet in area, the building

Lift those legs, ladies! A ladies 'Keep-Fit' class is offered to help get sagging, tired muscles in shape, and increase the overall energy and well-being of a fit body.

contains an IGA food store, a bank and smaller stores.

Spruce Grove has one other centre, a 20,000 square foot enclosed mall with a Co-op food store, a small department store and other tenants.

The new Melton centre is expected to be about twice the size as the existing facility.

In Camrose, 50 miles southeast of Edmonton, construction on a major centre is expected to start soon.

F and H Holdings Ltd., plans an October completion for the centre, in the west end of the city. Major tenants will include the Bay, IGA and Zellers.

Finally two other suburban area shopping centres, in Stony Plain and Devon are now open.

In Stony Plain, a 43,000 square foot centre containing a food store, drug store, bank and other facilities was recently completed. Nash Developments Ltd. are backers of the project.

In Devon a 34,000 square foot centre built by Aldritt Construction Co. Ltd., was opened last fall. A doubling of its size is expected with the community's growth beyond its present 2,400 population.

With this kind of development taking place in other communities virtually on St. Albert's doorstep, St. Albert can be understood if it is beginning to feel out in the cold, regarding a major re-

gional shopping facility.

300,000 SQ. FT. FACILITY

Abbey Glen was originally chosen over three other developers for the St. Albert 300,000 square foot centre which would have been larger than any other Edmonton area complex.

It is believed that at least one or two of the other developers are still interested in coming into St. Albert. St. Albert Town Administrator Bob Byron said this week that he has a letter from Abbey Glen stating that if talks broke down over its centre, the firm would sell its land at cost to any other developer.

The 10 month hassle between the council of St. Albert and the Abbey Glen Property Corporation has been frustrating for town councillors and possibly St. Albert residents.

It should be pointed out that St. Albert has several advantages over communities like Camrose, Leduc, Fort Saskatchewan and Spruce Grove. They are getting their major shopping facilities, but they do not have such easy access to Edmonton, as is the case with St. Albert which is linked with the Edmonton Transit System.

Also a number of major shopping centres are just opening or have been open on St. Albert's doorstep for some time, all within 10 to 15 minutes driving or busing time.

These are the North Town developments, Northgate, Londonderry, Westmount, and the Kingsway Garden Mall.

They all house major shops like the Bay, Woodwards, Simpson Sears, Eatons and Woolco.

Again, St. Albert could have had in operation now the three natural needs of the community such as another food outlet, indoor theatre, and department store, but the council chose to freeze all commercial development in the town while they negotiated 18 months with Abbey Glen.

# Rudolf Schroeders celebrate Golden Wedding anniversary

Rudolf and Ottillie Schroeder of Birch Drive celebrated their Golden Wedding on February 15th. Their two granddaughters, whose mother Elsie is one of the Schroeders' twin daughters, made the miniature bride and groom which graces the wedding table along with the cake baked by the elder daughter Mrs. Frieda Majeski and decorated by Elsie.

A special church service conducted by the Reverend H. Reichelt in German and English, opened the celebration of the 50th wedding anniversary of Rudolf and Ottillie Schroeder at St. Matthew's Lutheran Church in Edmonton on Sunday, February 15. The chairs on which the couple sat before the minister were decorated in traditional Polish fashion with ribbons and flowers and women of the church had made the customary crown of gold leaves for Ottillie and gold lapel ornament for Rudolf. The church choir performed several numbers. St. Matthew's was indeed a fitting place for the anniversary as Mr. Schroeder was a member of the original building committee and in addition put in 450 hours of volunteer labour into the church. Faithful Christians all their lives, the Schroeders also supported the fund drive for the Good Samaritan Hospital and helped to build St. John's Lutheran Church in Barrehead.

Over 200 relatives and friends packed the church hall for the reception which followed, for which the Schroeders' only son, Ben, acted as master of ceremonies. Seated at the head table with

the honoured couple were Ben and his wife Charlotte; Frieda Majeski, the couple's older daughter, and her husband Ed; Elsie Look and Erna Primrose, twin daughters, and their husbands Arnold Look and Mel Primrose. At either end were Rev. H. Reichelt and Mayor Plain with Mrs. Plain.

Rudolf Schroeder and Ottillie Nickle were married on Feb. 14th, 1926, in Lublin and special guests at the celebration were four who had also been guests 50 years ago: Mr. Gustav Schroeder, and Mr. Robert Schroeder, brothers of the groom. Mrs. Wanda Besler, sister of the groom and her husband Mr. Gus Besler.

Mrs. Besler was born in Lublin and Rudolf was born in Chelm, Poland, in 1902, moving to Lublin area as a young boy. None of Mrs. Schroeder's immediate family are in Canada, but a sister-in-law, Emma Nickle of Edmonton was present.

Mr. Schroeder had two brothers, Robert and Gustav of Camrose, and one sister, Mrs. Gustav Besler of Viking present for the occasion.

The couple resided in Wanda Bachus, Poland, until 1938 when they came to

Canada with their daughters, Frieda, age 12 and twins Emma and Erna age four years. To get permission to come from the Canadian authorities they had to guarantee that they had sufficient funds and that they would farm, and they began mixed farming in Camrose where they stayed until they moved to Barrehead in 1942. After 15 years of farming in Mogsides area, and one year in the town of Barrehead they decided to move to St. Albert in 1958. In addition to farming Mr. Schroeder was also involved in building houses and one store in the town. He also acquired some land in Westlock.

Driving to Edmonton he noticed St. Albert through those years and thought it would be a good place to settle in. After building three houses here, he retired.

An appropriate program was arranged for the reception by the Schroeder family and Mr. Ed Majeski reminisced over the Schroeder's 50 years together. He told how Rudolf had the marriage bans posted in his church (but not hers) before he had even asked Ottillie to marry him, and in fact only a week after he had met her and her family. So they met and were married within four weeks and have been happily married ever since.

Elsie offered congratulations on behalf of the children and her husband spoke for the daughters and sons-in-law. Dave Majeski and Sharon Look brought congratulations from the grandchildren and two beautiful bouquets were presented for the 14 grandchildren and two great grandchildren. Musical selections and a number of original poems written by family members and friends were presented, including a poem in German by Mrs. H. Nickle, long time friend of the Schroeders. A great niece, Rita Lemke played the guitar and sang and Mr. V. Sager, church choir master sang a solo. Mr. Emil Hebel, oldest member of the church in 92 also said a poem in German.

A beautiful scroll, framed and inscribed in gold was presented on behalf of the church by Hugh Lehman, an elder. MIA Ernie Jamison presented the couple with gold and blue Alberta pins and a Town of St. Albert plaque was presented by

Mayor Plain. Mr. Majeski read letters of congratulations from Prime Minister Pierre Trudeau, Mr. Robert Stanfield, Leader of the Opposition, Jules Leger, Governor-General of Canada and Marcel Lambert, Member of Parliament for Edmonton West. Protocol officer for the Provincial Government read greetings from Lieutenant-Governor Ralph Steinhauer and Premier Lougheed.

Guests were from Hinton, Viking, Calgary, Camrose, Barrehead, Westlock, Alliance, Red Deer and High River.

Following the program luncheon was served by the church ladies.

Both Mr. and Mrs. Schroeder thanked all their friends warmly for the happy celebration. Following the reception a family gathering was held at the Look's home in Edmonton and later in the week the Schroeders' treated all the family to a dinner in downtown Edmonton.

For Mr. Schroeder the day brought many memories and much thanksgiving for his years in Canada.

When the first world war broke out the Germans came in to Lublin in Poland and took many people away to be sent to Siberia in Russia including young Rudolf. "We were told to be ready in two days," he recalled - In Siberia he managed quite well by buying and selling butter and eggs to support himself. After the peace agreement the Polish people were allowed to come to the Polish Consul in Moscow and arrange to go back by train to Poland. That was a trip full of hardships and half of the people died from hunger and cold from when they set out in December 1921 till the end of February when they arrived in Poland.

Then Rudolf spent two years with the Polish army before going back to farming. In 1938 it was clear to him that another war was coming and the family decided to go to Canada. They sold everything they owned from land and buildings to household dishes and left only with their clothes. They were in London, England the day that Czechoslovakia fell to Hitler. "We have worked hard in Canada and Canada has been good to us," said Mr. Schroeder. "We have never been sorry that we came."

The beauty of shrubbery in winter graces the bottom of the iron cross at the St. Albert Parish Cemetery, soon to be taken over by the Archdiocese after being in the care of the parish. St. Albert Mission was founded in 1861.

## Administration change for cemetery

At the beginning of March the St. Albert Parish Cemetery will come under the administration of Edmonton Catholic Cemeteries.

Negotiations have been going on for almost two years and the Archdiocese has now taken over the cemetery under the Edmonton organization. The land occupied by the cemetery has always been owned by the Archdiocese.

This will be quite a change for the parish, which always from the beginning of the St. Albert Mission has taken care of the cemetery. "But it is getting 'oo big a job for us," said Father Jake Joly. In future members of the parish wishing to reserve plots or arrange care of plots will contact the Edmonton Catholic Cemeteries organization who will look after the considerable administration involved.

## Bilingual education for tots

A group of parents of St. Albert have recently formed an education committee. They have been checking into the possibility of having total French immersion classes for students at the kindergarten and primary grades starting September 1976.

At the present time, students are being bused to the city to attend French immersion classes, resulting in an

extremely demanding amount of time and energy for the tiny tots.

The response to the advertisement has been good, but more names are required before any further steps can be taken. If you, as a parent of a child who will be attending kindergarten or grade one in September are interested, please phone 459-6293 or 459-6743 before February 29, 1976.

## KINSMEN SKATE-A-THON REMINDER

A friendly reminder to all those residents still holding their pledge cards. It would be appreciated by the Kinsmen Club if they could be turned in as soon as possible along with all monies due, to any local Bank or Credit Union in St. Albert.

## Ex-St. Albert students excel in NAIT

Several former St. Albert students have placed well recently in the Northern Alberta Institute of Technology honours lists.

They are: Blaine D. Beisiegel with an average of 88.7 in electrical engineering, Richard L. Bremner, 89.6 in building construction, Brian Onishenko, 80.5 in

accounting and finance, and Charles Tennant, 81.8 in computer systems.

All of these are former students at the Paul Kane High School.

Former St. Albert High school student Raymond Evaniew also placed well in administrative management with an average of 80.3.

# REFLECTS

COMMENTS ON THE CONVENTION  
BY DELEGATE ERNIE JAMISON

The Conservative leadership convention was certainly the largest exercise in politics that those present, and all the Canadians who chose to watch the live TV coverage, have ever witnessed.

Beside the Dief and Stanfield nights which were televised, there were committee meetings, get-to-know-the-candidates receptions, policy sessions and hundreds of people from every corner of Canada meeting each other for the first time in hotels and restaurants, in buses and cabs and in the huge civic centre in Ottawa.

And everywhere everyone was talking politics - arguing, persuading, predicting, but most of all worrying. The delegates wanted to be certain they would choose the right man at this crucial time, the man who can defeat Trudeau the next time. And they were serious about it!

In the final crunch of voting day the tension mounted with the whoopla. As a staff member for Jack Horner [M.P. for Crowfoot Alberta for the past 17 years] I was working the convention floor along with other official candidate workers from 11 a.m. until our new leader, Joe Clark, finished his acceptance speech.

A lot of things happened between the first and fourth ballots. Some were predictable, such as Flora going over to Clark. Some things were hard to figure out, such as Sinclair Stevens who had made a hard-hitting right of centre speech, going over to Clark right after the first ballot when he was in seventh position. Then you start wondering what deal was made and when was it made.

Mulroney had a large first ballot showing and in his campaign had consistently maintained a middle-of-the-road approach. He made no move after losses on the third ballot forced him out and gave no indication of personal support for any candidate. A Quebec candidate, Mulroney, who had a large group of young delegates, had strong Ontario and some western support needed to defeat Wagner in the campaign. His delegates also went in the main to Clark, although he was not considered as far to the left as Clark.

There was the timing of Hellyer's withdrawal. Clearly he had far less first ballot support than was expected, drawing fifth position behind Wagner, Mulroney, Clark and Horner. He decided to withdraw, and, perhaps influenced by the unexpected move of Stevens, indicated his support for Wagner to counteract Stevens. But he was too late with his withdrawal form and 118 votes for Hellyer showed up on the second ballot, which otherwise could have made a significant difference to Wagner.

A tremendously exciting moment came after the second ballot when Jack Horner went over to Wagner. Within minutes the chant "EAST AND WEST - EAST AND WEST" was heard all over the arena. "What a fantastic joining of small Conservative strength," I thought as I heard it. "This could be the historic turning point the convention has looked for to produce a very clear alternative to the Trudeau government. Wagner, who had undoubtedly made the best speech of the convention was now in a very strong position, and had key backing from Horner's western group and Pat Nowlan's maritime group. A combination which could break Ontario control in federal politics.

'Harvey, dear - did you know that this is Brotherhood Week when they ask for more love, forgiveness, understanding ...'

But it was not to be - and we'll never know what combination of forces resulted in the victory of Joe Clark. Perhaps some east-west division, perhaps some English-French division contributed to Joe's victory which, to many on the crowded floor, seemed almost a fluke. In the enormous tension and heat of battle cool heads do not always prevail, and in the aftermath of the convention Sunday evening and Monday thousands of people around Ottawa were trying to figure out what had happened.

The main objective remains for Conservatives. To win the next federal election. This can only happen if Mr. Clark can unite the Party and will listen to the positions of western Canadians like Jack Horner and his counterparts in the Maritimes and Central Canada. There should be no talk of asking dissidents to leave the party such as was reported by the media. Almost as many delegates voted against Mr. Clark as voted for him, and what is needed is a welding together of both forces within the Party to provide the strong alternative to the present government which the Canadian people seek.

## to the Editor Look at alternatives

I was very pleased to see the open mindedness our local paper has provided the citizens of our "Super Town."

I am also very pleased and gratified, on the stand our town councillors and our Mayor Richard Plain have taken on the shopping centre proposal.

We all realize the need for such a complex, as it is very inconvenient to go into the city to shop, also there would

be much needed employment created by this complex, as well as a better tax base.

I would therefore, encourage town council to look at the alternative proposals at once, and possibly look at one of our local developers, as the chances are that they would not try to ask the town for numerous concessions.

# Guides-Scouts attend Thinking Day ceremony

St. Albert Parish Church was filled Sunday afternoon for the Thinking Day ceremony that concluded Scout-Guide week. The ceremony was jointly planned by St. Albert Scouts and Guides. Beavers, Cubs, Brownies, Scouts, Guides, Rangers and Venturers, and their leaders, all in uniform, took up the centre of the church. Their

parents flanked them on either side. "On the move with half-a-million strong," the Scout-Guide week theme, was also the theme of the ceremony. Separately, each group of the uniformed youth repeated its promise. Speaker Alex Elder joined the groups in his whole on the movement as a whole. Mr. Elder, northern re-

gional commissioner for Boy Scouts of Canada, compared the Scout-Guide movement to a life support system in which the well-being of a space crew depends upon many contributing arrangements. All Scout-Guide groups, he said, are also interdependent. All groups recognize their dependency upon the

planet earth and are using techniques to care for their environment. Scouts and Guides, for example, plant trees and avoid making open fires. "The Scout-Guide movement," Mr. Elder said, "is considering ways of strengthening its system for the future. One way might be to combine Scout and Guide

programs." He had seen a combined Scout-Guide program in Norway, he said, that seemed to work very well. Changes in the Scout-Guide movement would always be efforts to strengthen the movement. "We must all," he said, "make changes in our life styles to protect the environment."

Present and past members and long standing friends of St. Albert Scout-Guide movement participated in the ceremony. Peter Byl, a former Queen's Scout, was master of ceremonies. Hans Commandeur, also a former Scout, played guitar background for the singing. Dick Leggett led the singing of "O Canada." Former Scoutmaster Ted Langford was in charge of the colour party. Honoured guests Mayor Richard Plain and Mrs.

Renée Laird, from the Social Services Dept., assisted in receiving and returning the colours. Mrs. Laird also accepted the Thinking Day pennies from the Guides and Brownies for the World Friendship Fund. Colin Ford, member of Landing Trail District Scouting Committee, and Mrs. Joyce L. Smith, guiding commissioner of MacKenzie District, led a Malayan drum chant. The Rev. Noel Gordon, minister of St. Albert Presbyterian Church and chaplain of Four St. Albert Scout Troop, pronounced the invocation and the benediction.

Refreshments were served after the ceremony by Fourth St. Albert Group Committee. The Thinking Day ceremony may be seen on Capital Cable Television Thursday at 7 p.m.

## Senior Citizens News

All senior citizens in St. Albert are invited to any of the activities which take place in the Recreation Centre (north of the curling rink); it's a great way of getting to know people.

A bazaar is being planned for later in the spring and Wednesday afternoons are devoted to quilting, crocheting and knitting for which the materials are supplied. Donations for the sale of household articles and clothing (new or used but clean!) are requested. They can be brought to the Centre any time it is open or given to a member of the Senior Citizens Club.

A number of meals-on-wheels are delivered every Thursday to the Recreation Centre and any senior citizen who would like to have an occasional lunch at the Centre should phone Mrs. Heile Blades at 459-4756 or Pat Gray at 459-7476 for information. Anyone know-

ing a senior citizen who would benefit from a meal served either at home on week-days or at the Centre on Thursdays should phone one of these two lady volunteers.

Sometimes a short program is arranged after the Thursday lunch. On Thursday, February 26, a presentation of slides will be given by Mrs. Lorna Naves. These were taken during a holiday in the United States and include shots of cave-dwellers and the Grand Canyon. Everyone is welcome - eat lunch at home and join your friends at the Centre at 1:15 p.m.

Every other Tuesday evening a bingo sponsored by the Kinsmen Club is held. Cards are 25¢ each and prizes range from \$3 - \$8. On Tuesday, February 17 prizes were won by Alice Kemps, Helen Hodgson, Julie Lema, Mary Flynn, Mary Van Tighem, Bernadette Morin

and Mrs. Cunningham; also Emile Laplante, Ralph Bergevin, John James and Sam Lipak. The next bingo will be held on Thursday, March 2 at 7 p.m.

On alternate Tuesdays, there is a card party in the afternoons at 1:30 p.m., when whist is played. On February 24, the winners were Ben Morin and Alice Desrochers while consolation prizes went to Maurice Vagueois and Mrs. E. Laplante.

Social evenings are being held on the first Friday of each month. Emile Laplante is the convener of these affairs and one is due to be held on March 6 at 7 p.m. Mr. Laplante is arranging the program for the evening which will start off with the showing of a film. Lunch will

be served and there will be a small charge to cover expenses.

The Centre is also open on Monday and Wednesday evenings from 7 - 9 p.m. and "dropping in." There are games to be played, television to be watched, lots of books to read and usually friends to talk to.

## Paul Kane student appears in acclaimed play

Fifteen year old Ted Dykstra, of Greenwich Crescent will be appearing in the Theatre 3 production of The Broken Globe, a one-act play based on a story by Edmonton novelist Henry Kreisel and adapted to the stage by local playwright Frank Moher. Ted, who has played for the St. Albert-on-Sturgeon Players and also in some school plays, will portray "Young Nick," a farm boy who runs away from home and lives in England. Thirty people auditioned for the part, and out of three finalists, Ted was chosen.

One of the biggest aspects of the play is that it will be televised by CBC Edmonton on March 6. The Broken Globe will be produced and directed by Jack Enack with the same script and cast being retained. This production is a further step taken by CBC Edmonton to make original Alberta drama available to wider local and national audiences and providing work for local actors and writers.

You can see the play until February 28th at the Edmonton Art Gallery Theatre, but Frank Moher, publicity director warns that a number of the performances are sold out.

## BASKETBALL

On Friday night, February 6th, St. Albert High hosted Ardrossan at the Vital Grandin gym. Our girls' team lost to Ardrossan by only two points, but our boys' team beat out theirs by a hefty score of 66-35. Both games were very well played.

On Saturday, February

7th, both the boys and girls teams went to an invitational tournament in Westlock. The girls' team came home with the first place trophy, while the boys' came in second place. Both of our teams had to play Drayton Valley in the finals. The cheerleading squad also went to Westlock, hoping to compete in a cheerleading contest, which was unfortunately cancelled.

On Monday, February 9,

the girls' team played Paul Kane girls at the Vital Grandin gym and won.

The last league games for both our boys and girls teams were on Wednesday, February 11th. Our school went to Concordia College and won both games by close scores.

On Wednesday the 18th, the girls' team played an exhibition game against St. Francis Xavier and won. This is a real achievement because St. Francis Xavier is in second place in the Edmonton B division.

Friday night, February 20, the conference games were played here in St. Albert against Stony Plain. Our girls won 51-12, and have advanced to zone playoffs in Drayton Valley this weekend. SAHS boys lost in a high scoring game of 61-42. There is room for spectators on the bus to Drayton, leaving St.

Albert 10:30 this Saturday.

## STUDENT UNION NEWS

The first orders on school jackets have been taken. School jackets will be blue with gold trim, have a Skyhawk crest, name bands, snap-out lining, slash pockets in front with a mickey pocket inside, and are fitted by height and weight. The second orders will be taken after the first ones arrive.

Gold Rush Days, which takes place on March 2, has been organized. It starts at two o'clock in the afternoon and continues on into the evening. Families are welcome. There are prizes for the best-dressed girl and guy and a big prize for the best-decorated classroom.

Sup sales are booming, and now muffins are sold daily at very reasonable prices. Hot dogs are available every Friday.

Grad pictures (personal portraits of individual grade 12 students) are being taken all this week. There is a \$4 sitting fee for colour pictures and yearbook pictures are free.

New term executive elections are coming up soon! There is an election dance March 23. There is a dance sponsored by St. Albert

Youth at the Community Hall this Friday, February 27th from 8 - 12 with the band Powerglide.

## VOLLEYBALL

Two teams from our school were entered in a mixed volleyball tournament on Saturday, February 14. The teachers team, with Mr. and Mrs. Marchand, Mr. Szybunka, Mrs. Stoutenberg, Mr. Tookey and Ms. Lester, won four games and lost six. The girls and boys team, with Alan Brenneis, Mike Byl, Dean Roy, Richard Gadoury, Bernice McGillis, Donna Perrott, Denise Young and Joan Powers had the same win-loss record, and tied for fourth place.

## BADMINTON, GYMNASTICS, WRESTLING

The school badminton team needs more girls! The boys who have entered have done well. John Kennedy and Ryan Chambers entered as a mens doubles team in the Vic. Comp. tournament and made it to the semi-finals. Richard Sawdow did the same in the singles category. The gymnastics club has been working hard with practices every noon hour

and on some evenings during the week. The zone meet is on March 19 in Morinville.

The zone finals for wrestling were held in Westlock last Sunday, February 22. Colin Wear placed first, Alex Berze second, and Gary van Brabant second in each of their respective weight divisions. These three are travelling to the provincials in Camrose this coming weekend.

## EDUCATION WEEK

Education Week this year (March 1 - 7) is based on the theme "Education - How Do You See It?" At SAHS, several activities are planned. On Monday, March 1, there is a Penitential Celebration in the morning, and at night there's a Parents' Open House from 7 - 9 p.m. Tuesday, March 2, as mentioned, there will be Gold Rush Days activities. On Wednesday morning, March 3rd, an Ash Wednesday Mass will be celebrated at the R.C. Church. On both Tuesday and Wednesday, there will be a high school orientation program for grade nine students. Finally, on Friday, March 5, Al Oeming will make a conservation presentation to the students in the school gym.

## THE LIQUOR LICENSING ACT (PART 3)

[SECTION 90 (4)]

### NOTICE OF HEARING OF LIQUOR APPLICATION

The following notice is published in accordance with the provisions of The Liquor Licensing Act:

1. The area comprising the Town of St. Albert being all of that area within the corporate limits of the Town of St. Albert has been designated as a local option area for the purposes of the above Act.

2. The sixth day of April, 1976, has been set as the date upon which the Board will consider applications for licenses under the above Act, unless prior to that date the Board has received a petition signed by 500 electors of the above described local option area or 10 percent of the number of persons named on the latest lists of electors for an election of a member or members to the Legislative Assembly from the area comprising the local option area, whichever is the lesser number, requesting that the Lieutenant Governor in Council submit to a vote of the electors of the local option area a question in respect of the class of license applied for.

Dated at Edmonton, this Seventeenth day of February, 1976.

A. D. ELLIOTT  
CHAIRMAN

THE ALBERTA LIQUOR CONTROL BOARD

NOTE: Petitions requesting a plebiscite vote must be on the official petition forms which may be obtained from The Alberta Liquor Control Board, 12360 - 142 Street, Edmonton, T5J 2R4, together with instructions for the submission of a petition.

## Catholic board receives report on Greece tour

On Monday, February 16, the board of the St. Albert Catholic School District No. 3 received a report on the tour of Greece which had been undertaken by a party of high school students prior to Christmas last year.

The tour, which was in lieu of a sea trip to various points in the eastern Mediterranean, was arranged by P & O Steam Navigation Company.

The original tour on the S.S. Uganda had been overbooked. Instead, the company substituted the in-depth look at Greece which included a short sea voyage and P & O agreed to pay any extra expenses. The cost of the day visit was \$728 a student.

The written report was submitted by Mr. P. Chalfoux, Cruise co-ordinator and teacher at St. Albert High. It

expressed his views and those of the students which were not always identical. At times it was difficult to tell which points were made by the students and which points were made by the teacher.

Apparently, the accommodation on the trip ranged from adequate to very good and the food was termed "acceptable." The education

program was described as "excellent" but the nursing staff left much to be desired.

The student response to the entertainment program was positive although the teacher complained that Alberta teachers had to initiate many of the activities and thus suffered "long gruelling days."

Transportation was described as fair to good but some services needed improvement. Teachers "forced" P & O to buy irons and ironing boards for general use and "made" P & O buy some hair dryers which operated on 220 voltage.

Some of the international aspects did not appeal to the teacher. He did not like the British headmaster or the rowdy Greeks at the basketball game. He said that continental breakfasts are a daily bore and he would have preferred to travel wholly with Canadian companies.

Included in the report was a submission by a grade 12 student who gave some indication as to what the objectives of the tour were for her and whether these objectives were met. Ignor-

ing the customary hazards for foreign travellers such as crowded elevators and the occasional late bus she summarized as follows:

"In closing I would like to say that I am very thankful for the organization of this trip. It was a worthwhile endeavour because, it not only taught us about a different country and culture, but introduced values such as co-operation, living on your own, responsibility,

making friends ... the list could go on forever. As a result of this trip, I have decided (if it is at all possible) to go on others. I recommend travel as a valuable and needed education for anyone; and would strongly support a continuation of this or similar programs in our school system." The student is Maureen Hennessey.

The report was received by the board without comment.

## The Book Nook

News from the  
St. Albert Public Library  
By Margrit McCreath

Since May of 1975 the St. Albert Public Library has provided a new service to its patrons - namely, a record collection. It has grown from an original 460 albums to its present 600. Records are colour coded and catalogued under the following headings: jazz, shows, rock, country and western, popular, classical, spoken word and children's. Records may be borrowed with a valid library card for one week, after which an overdue fine of 5¢ per record will be levied. Due to limited numbers only two discs or one set may be borrowed at a time.

As the popular records are borrowed most frequently, a

large percentage of our purchases fall into this category. You may be interested in some of the newest additions, four of which are by Canadian artists: Between the Lines by Janis Ian, Every Bit of Love by Ken Tobias, High Winds White Sky by Bruce Cockburn, and Gopher Suite by Humphrey and the Dumptrucks. Other additions include: Killing Me Softly by Roberta Flack, The Best of Paul Williams, Clearly Love by Olivia Newton-John, Mahogany by Diana Ross, The Best of Bread (Volume 2), and the Greatest Hits albums by Cat Stevens, Roger Whittaker, Santana and Dionne Warwick. Four albums make great instrumental background music: Rock Me Gently by James Last, Jay by Apollo 100, Mozartmania by Waldo de los Rios, and Days

of Future Passed by The Moody Blues.

For the Charlie Rich fans we have another record called The Silver Fox, and Nana Mouskouri admirers will enjoy At the Albert Hall.

Children haven't been forgotten. Keeping in mind the holiday season, we have purchased Peter Cottontail and the First Easter Record for Children. Hopefully there is at least one title that appeals to you. If you have a suggestion for a new record, just let us know your ideas are always welcome!

## AROUND TOWN

Donna Kane, wife of Mr. Doug Kane of Garden Crescent, has just returned from spending a weekend with her parents in Penitence, B.C. When asked what she could do in Penitence during the winter, Donna replied, "We did a lot of shopping."

## Olde Homey Hints

To set colors, the cloth was washed in strong salt or alum water and then rinsed in water in which Irish potatoes had been sliced and boiled.

When making lye soap, Colonial homemakers had an easy test to determine when the mixture had been boiled enough to absorb all of the grease used. A spoonful was dropped into a glass of water to determine if any grease rose to the surface.

If hard soap was desired, the boiled mixture received one quart of salt in a half gallon of hot water. After another 20 minutes of boiling, the soap cooled and then was cut into cakes.

## St. Albert pioneer passes away

PETER SERNOWSKI

One of the pioneers and a well known farmer of St. Albert died on February 2, 1976. Starting from a very

humble beginning, through sheer hard work he became one of the successful farmers in the area.

Since coming to Canada in 1929 Peter worked hard at whatever jobs were available. A farm hand and other jobs at a time when one earned \$0.6 a day and when a meal in a restaurant was 15¢. He later did carpentry work, helped build the community hall here and also Danny's Garage.

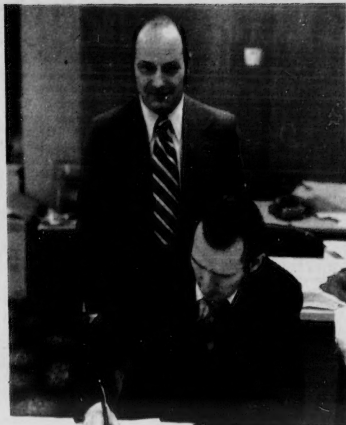

He was born in the Ukraine July 6, 1897. His life there was not an easy one. He had to serve in the army and saw action in World War

I. was wounded and ended up in a prisoner of war camp. After coming to Canada his status, as that of other immigrants from Ukraine and other eastern European countries was one of discrimination. Through sheer hard work he acquired five acres of land in 1932. He married Mary Chipil on February 15, 1934. In 1947 he sold the five acres and bought 120 acres. Battering the elements, scraping enough money to pay off the mortgage, raising a family, suffering losses and financial reverses. With typical Slavic determination he overcame difficulties, heightened by the lack of knowledge of the language other than his own and he finally had a free and clear farm. When life became a little easier, he had a chance to enjoy the fruits of his hard work but his health

was affected and he was unable to fully realize and enjoy his good fortune.

He will be sorely missed by his popular and hard working wife Mary who was such a great help and encouragement to Peter. He leaves a son Victor with his wife Ivy and their two sons Ivan and Garth, June, his daughter with her husband Robert Haudenschild. He leaves a sister in the Ukraine, nephews and nieces in the United States. He also leaves many friends and neighbours whom Peter was always very eager to help.

His nephew from Rochester, New York, Very Rev. Msgr. Nicholas Babak performed the burial services with a Liturgy for the dead in St. Josaphat's Ukrainian Catholic Cathedral and buried in St. Albert Cemetery.

Every year, there is a week set aside to draw the attention of the public to the importance of education. Usually during this week there are visits to the various schools by parents interested in getting a first-hand look at what goes on. The schools usually have a number of activities and programs scheduled for the many visitors who turn out. The above picture shows District #6 Chairman, Bill Webber signing the proclamation shown elsewhere on this page. Standing behind Mr. Webber is Mr. Steve Sieben, who also signed the paper, but as chairman of the District #3 Board, thereby representing both school districts.

Thank  
You

May we express our most sincere thanks to residents of St. Albert who were so generous in supporting the Heart Fund Blitz. The help of the many volunteer canvassers was an essential part of this community service. Their willingness and hard work is also very much appreciated.

## Accent on Akins

... Anonymous  
The coffee has started perking again at Lorne Akins Junior High School. Five major events are our gossip lately and we would like to share them with you.

On January 28 and 29 students from Paul Kane, Sir George Simpson and Lorne Akins' bands held a band workshop. This included full band rehearsals, sectionals, and clinicians of various instruments. Approximately 100 to 150 students participated. Lorne Akins Band Club was busy selling hot dogs, chips and pop at lunch. We were fortunate in that we had a very special guest, Mr. Ed. Marty of Vancouver. Mr. Marty is well known all over North America for his famous conducting and ability to perform professionally on all instruments.

On Friday, January 30, eight very nervous young ladies vied for the honour of being Lorne Akins' carnival queen. These ladies were: from Grade 8 - Sandra Davis, Patricia Saunders, Michele Christenson and Laurie Root; from Grade 9 - Bonnie Cinnamon, Laurie Roodie, Sherri Barkhouse and Leanne Ryder. At 3:30 on Friday these eight young ladies competed in a contest to see which one would represent Lorne Akins in the carnival queen finals, to be held on February 5 at Vincent J. Maloney.

The results were as follows: First runner-up was Laurie Root and our 1976 Queen was Bonnie Cinnamon. Bonnie received a \$25

gift certificate for Woodwards and a beautiful trophy. Laurie received a \$20 gift certificate for Woodwards as well. The girls were all winners since no one went home empty handed.

The other six girls each received two \$5 certificates from either of the following four stores: Pick-a-Buy, Dori Lynn's, Sweetheart Jewellery, and the St. Albert Sportshop. I would like to thank these stores for their generous donations. Bonnie was defeated in the finals but to us she will always remain a queen in our school.

The winter carnival at Lorne Akins was held on Wednesday, February 11. It was a full day of activities with a "Grade 9 Allstars" vs "The Teachers' Pros" hockey game at noon in the Arena. The Teachers were strengthened by the addition of John Rogers of the Edmonton Oilers. There were many other events including the great "Huskie Hustle" in which all the kids pulled their homeroom teacher on a toboggan across the field in a race. Other events included the "Potato Sack Polka," the "Slip and Slide," and the "Dogsled Delight."

The carnival was followed by a dance in the evening with the band "Privilege." The band was excellent and the dance was very successful.

We received a Christmas greeting from our foster child, Choi Nam Kil, and we'd like to share it with you:

"It is my honor that I can write to you. Thank you very

much for sending me such a nice Christmas card. I enjoyed the card very much.

I spent Christmas Eve quietly. It seems that our Christmas is same as yours. We also set up a Christmas tree and decorate it with many things. Usually we have a lot of special programs at church to celebrate the birth of Jesus Christ. After Christmas, we have a big holiday. It is the New Year's Day. This day children visit the elders and wish them good luck. And we enjoy flying kites and spinning tops. I think the New Year's Day is a bigger holiday than Christmas here in our country.

Wishing you a very Happy New Year and good health. I am closing for now."

Your sponsored child,  
Choi Nam Kil.

## Correction

Last week, the Gazette inadvertently made an error in recording the name of the lady who was Queen of the Sweetheart Ball. The woman is Iona (Ona) Kennedy, and not Leona Kennedy as was written in the outline on the front page.

# NUTRITION TODAY

Nutrition Today ran the Guide to Good Eating last week. Copies of this guide are available from the Sturgeon Health Unit.

The organization and research that goes into making up such a guide is important. In this week's issue, Mrs. Barbara Hansen, nutritionist with the Division of Local Health Services of Health and Social Development, introduces the Guide to Good Eating, and explains the purpose of such a guide.

Food guides in Canada have been "cut and pasted" over the years. The first of these was "Canada's Food Rules," which included five groups - milk; fruit; vegetables; cereals and bread; and

lastly the protein group, meat and fish. This was followed by "Canada's Food Guide" which incorporated minor changes within these five groups. Now, "Guide to Good Eating" has been developed, which includes four food groups. The latter has been adopted for use in three of the western provinces.

What is the purpose of a food guide? First, it serves as a translation of the nutrient intakes recommended for Canadians into servings of food within food groups. The food groups encompass those foods which have similar nutrient contents and can therefore be interchanged in the diet. In this manner, food guides provide flexibility of food choices within the framework of current eating habits. A second purpose of a guide is to provide a basis for the uniform distribution of information on daily food needs and nutrition by professionals.

A food guide is not meant to be a statement of nutrient requirements but rather a set of guidelines. Food guides are formulated with eight nutrients in mind, namely protein, iron, calcium, vitamin A, vitamin C, riboflavin, thiamine, and niacin. While there are over 40 nutrients required daily by the body, if these eight are supplied in quantities of food to provide the recommended daily intake, the other nutrients will likely be contained within the diet as well. One exception is vitamin D, required by growing persons and expectant and nursing mothers, which is obtained from foods fortified with vitamin D.

While the Nutrition Canada results made public to date provide data on general nutrient insufficiencies and excesses found among Canadians, a break-

down of the types of food eaten daily has not yet been made available.

Data collected by McClin-ton, Milne and Beaton has, however, provided insight into this area. Food records of 4,529 people were studied in relation to their conformity to the nutrient intakes recommended for Canadians, and to Canada's Food Guide. Surprisingly, only 31.3% of the total sample had intakes which were consistent with the recommended levels or, in other words, were deemed

nutritionally adequate. Of the 31.3% only one individual consumed the suggested intake of all of the food groups as recommended in Canada's Food Guide. This suggests that when adequate nutrition was being obtained, the pattern of food consumption was not consistent with Canada's Food Guide.

Using the findings and recommendations from this study, the public health nutritionists from British Columbia, Alberta and Saskatchewan drafted "Guide to

Good Eating."

You will note that Guide to Good Eating begins with the statement "Every day - Eat a Variety of Foods from Each Group." This statement reminds us that no single food group can provide 100% of the requirement for a particular nutrient. As well, selecting a variety of foods within each food group is important for good nutrition.

A helpful feature of the new guide is the statement of the number of servings of food in each food group

required daily, plus examples of reasonable serving sizes of food within the groups.

The next in this series will go into the four food categories in detail.

This information was supplied by Nutrition Services, Division of Local Health Services, Social Services and Community Health, Fourth Floor West Administration Building, 10820 - 98 Avenue, Edmonton, Alberta. TSK OCS.

## GOOD NEWS PARTY LINE

Books, magazines, comics and puzzles are required for the coming Book Fair to be held March 7 and 8 at St. George Simpson School. Call Ann Hapchyn for information at 459-3606.

The St. Albert Historical Society is holding its annual meeting and banquet on February 26th at the Club Macomb and Tony Cashman, author of Singing Wires will be the guest speaker. A fun auction of by-gones and collectibles will be led by Ian Paterson, Museum advisor of the Provincial Museum who has some surprising talents as an auctioneer. For tickets at \$5.50 per person, phone 459-4537.

The Neighbourhood Council Steering Committee has prepared a questionnaire designed to get as many as possible viewpoints from residents on directions they would like to see the town and its communities take. The Committee has already held a public meeting to discuss community leagues and how they function. Members will be on the Grandin Mall on March 4, 5 and 6 and again on March 11, 12 and 13 with their questionnaire and hope to reach as many people as possible. Anyone interested in the Neighbourhood Council Steering Committee may phone 458-0672.

# Very Successful First Year For The New Home Certification Program of Alberta

On Friday, February 20, the New Home Certification Program of Alberta held a press conference in the Real Camino Room at the Edmonton Plaza Hotel to mark their first year of operation. The conference was well attended by various members of the media, including two members of the St. Albert Gazette staff. The Minister of Consumer and Corporate Affairs, Graham L. Harle and the Deputy Minister Jack Lyndon were in attendance to represent the Alberta Government. Also present at the meeting was Mr. Laurie Blais, president of the Edmonton Housing Association. On hand for the program itself, was Mr. Rudy Scheibelhofer, chairman of the Board, Mr. Keith Paddick, secretary of the Board, and chairman of the Alberta Council of HUDAC - Mr. George Frieser.

It was 12 months ago that the Alberta Council of Housing and Urban Development Association of Canada (HUDAC) announced the launching of Canada's only new home warranty scheme, the New Home Certification Program of Alberta. Entirely self-supporting this builder-operated plan for the protection of new home buyers now has five branch offices, a head office, and a skilled staff of conciliators throughout the province, and provides a consumer service that enjoys the support of government agencies such as the Alberta Housing Corporation and Department of Consumer and Corporate Affairs, consumer agencies and mortgage lenders.

"It is this support," says Rudy Scheibelhofer, now in his second year as chairman of the board of directors of the program which arises out of the program's demonstrated effectiveness, "which I am convinced led to the recommendation against a national new home warranty scheme. Already two other provinces - Manitoba and British Columbia - have started a program similar to ours, and others it seems will soon follow. It was always our contention that a provincial industry-operated scheme, backed by insurance would work better than a vast national bureaucracy operated from Ottawa. I think we have proven our point."

MR. R. SCHEIBELHOFER

MR. E. BOLEY

Mr. E. W. Boley, executive director points out that the registration committee, meeting regularly, has approved the application of 285 builders who have enrolled 13,000 homes in the program so far, and expects another 13 - 15,000 in the coming year.

"Membership could grow to some 350 builder members. Our members must be building close to 90% of the eligible houses in the province." As he sees it, one of the main priorities of the program is to develop ways to encompass other forms of housing, such as mobile homes and high rise condominiums, within its protection.

The New Home Certification Program of Alberta protects those who buy new homes from its registered members by insuring downpayments, guaranteeing the builder's one year warranty, and extending that for four more years in respect of major structural defects.

## 90% COVERAGE

More than 90 per cent of new homes being built in Alberta now are covered under the voluntary five-year warranty program initiated just a year ago by the province's builders.

The program had 262 member builders at the beginning of 1976, representing 90 per cent of the province's single-family home construction reported E. W. (Bill) Boley, executive director of the New Home Certification Program of Alberta (NHCPA).

During 1975, 12,000 purchasers of new homes were protected by the Program.

"We anticipate many new members during 1976, bringing protection to almost all new-home buyers in Alberta," he said.

Graham Harle, minister of Consumer Affairs, said, "We have been very impressed with the amount of co-operation from the building industry," when questioned about the NHCPA in the Alberta Legislature.

Bill Yurko, minister of Housing and Public Works, said, "Alberta has led the way" in regard to new home warranties. The system is operating "very effectively and efficiently at this time."

he told the Legislature.

In addition, Central Mortgage and Housing Corporation and the Provincial Consumer Affairs Department report complaints related to new homes have dropped dramatically since the Program took effect.

Under the NHCPA, the buyer's deposit is protected up to \$20,000 prior to occupancy in the event of builders insolvency, bankruptcy or fraud.

The Program also assures that the member builder will repair any defects during the mandatory one-year guarantee of workmanship and materials.

Then, for the remaining four years, the buyer or any subsequent owner is protected against structural defects that "vitally affect the home," to a maximum of \$20,000 in repair costs.

Should there be a dispute between the home buyer and the builder, an unbiased conciliator is called in. During 1975, 27 disputes were handled by the Program's Arbitration Board, eliminating the need for legal action, Mr. Boley said.

As well, many complaints don't go this far but are settled amicably because the NHCPA's staff are able to establish rapport between the builder and the buyer.

The Program maintains input from the public through its nine-member Consumer Affairs Committee. Included are three members from the Consumers Association of Alberta, two builders and one member each from the Federal Consumers Affairs Department, the Provincial Consumers Affairs Department, Uniform Alberta Labor Council and the Alberta Housing Corporation.

The Program also has committees overseeing registration and standards. Before accepting a member, the Registration Committee screens the builder for reliability and competence. A member not reacting promptly to legitimate complaints can be effectively censured. Membership can be cancelled if decisions of the Program's conciliators are not met.

As well as protecting the consumer, the NHCPA is beneficial to builders.

It creates confidence in the home buyer, making him more willing to give the builder a reasonable time to repair defects. As well, builders are advised through the plan on the best procedures for handling complaints satisfactorily, avoiding misunderstandings. Legal fees that might result from litigation are saved, although the Program doesn't interfere with the rights to litigation, and the plan can issue letters of good standing that help the builder to deal with banks and mortgage companies.

Because of these benefits, Mr. Boley said it is in the interests of new home buyers to look for builders who belong to NHCPA.

Member builders can display the NHCPA logo on their advertising, stationery and the sides of their trucks. Window posters are supplied for homes, informing the buyer of the plan's protection, and a permanent identification disc is attached to the home's electrical breaker panel.

Builder's salesmen should wear NHCPA lapel buttons, he said. "The confidence created in the buyer can help to make sales."

The Program's protection is available for units in condominiums up to two storeys, as well as single-family homes. Not covered are recreation homes, mobile homes and rental accommodation.

## COMPLAINTS ELIMINATED

New home owner's complaints to the Alberta Consumer Affairs department and Central Mortgage and Housing Corporation have been eliminated by the New Home Certification Program of Alberta.

Consumer Affairs Minister, Graham Harle remarked, "The low number of complaints handled under the new Home Certification Program, and the decrease in complaints to our provincial consumer affairs department bodes well for the Alberta housing industry. I am delighted that the housing industry in Alberta has found an effective and practical way to provide consumers with the assurance that they are getting value for their housing dollar. This is an excellent example of an industry controlling the quality of its own product."

"There have been no complaints received by either of these government bodies during the past 10 months," reported R. H. (Rudy) Scheibelhofer, chairman of the program, at the program's press conference marking the NHCPA's first anniversary. The Program is administered by Alberta's house-building industry at no cost to government.

"Registered builder members are jealous of their reputations and are handling complaints quickly themselves," he explained.

Because of careful screening of builders entering the Program and annual re-assessment of their membership, the term Registered Builder is a valuable asset in the home construction business," he said.

MR. G. FRIESER

Two gentlemen attending the press conference at the Edmonton Plaza Hotel for the New Home Certification Program of Alberta, are Minister of Consumer Affairs, Graham Harle and Chairman of the Board for the NHCPA, Mr. Rudy Scheibelhofer.

essment of their membership, the term Registered Builder is a valuable asset in the home construction business," he said.

"Alberta has led the way" in respect to new home warranties. Housing and Public Works Minister, Bill Yurko said recently in the Legislature.

When asked what he thought of the first year, Mr. Boley, executive director remarked, "We are successful." He told Gazette reporters that he was very

pleased with the Program and its future. George Frieser, chairman of the Alberta Council of HUDAC stated that he was absolutely and wholeheartedly behind the New Home Certification Program and was pleased at the way the home builders and home buyers were accepting the program. He went on to say that the big thing for the program to do now was to educate the consumer about the many advantages offered by the program.

## School District 3 prepares for Education Week

Preparations are being made in all Catholic schools for activities to be held during Education Week, March 1st to 5th. The trustees and the staff of the St. Albert Catholic School District No. 3 encourage all parents to attend the programs planned at the various schools to facilitate greater understanding and co-operation in the field of education.

A summary of activities planned in the district schools and kindergarten is given below:

### ST. ALBERT PARISH KINDERGARTEN

The kindergarten will be contacting all parents individually to invite them to help in the classroom at some date during the month of March.

### ELEMENTARY & JUNIOR HIGH SCHOOLS

Schools in this category comprise Vital Grandin, Albert Lacombe, Father Jan and Vincent J. Maloney.

All elementary and junior high schools will be holding parent/teacher interviews during the evening of March 4th and all day Friday, March 5th. Administrators and teachers of the district strongly urge all parents to attend as they consider that it is through a mutual sharing of knowledge, ideas and experiences that greater understanding of the students can be achieved.

Displays and samples of the students' work will be exhibited in the gymnasium or lunchroom during the interview time.

At the Vincent J. Maloney Junior High School there will be a short concert in the lunchroom on March 4 commencing at 6:15 p.m. The drama, music, French and physical education students will be making short presentations.

### ST. ALBERT HIGH SCHOOL

Open House will be held at the high school on Monday night from 7 p.m. to 10 p.m. The various disciplines will have displays prepared which are intended to give parents a fuller understanding of what students are doing in the courses. The

disciplines on display include business education, TV arts, physical education etc.

On Tuesday night, March 2nd from 7 p.m. to 9:30 p.m., a social evening called "Gold Rush Days" is being planned. Klondike dress is being encouraged and bake sales, plays and skits, games, floor shows, etc. are expected to provide an evening of entertainment and fun for everyone. Parents are urged to keep this date in mind as the proceeds realized will be donated to the underdeveloped nations of the world as a share-lent project.

On Tuesday and Wednesday the high school will be visited by grade nine stu-

dents from Camilla, Sturgeon Heights and Vincent J. Maloney schools. This is viewed as an opportunity for the grade nine students to familiarize themselves with the students, teachers and programs at the high school.

According to the district, "Education is a responsibility which rests with all individuals and parental support can have a significant impact on the value that students attach to the educational process."

During Education Week, communications bulletins will be distributed through the schools and they will give everyone a chance to get a quick overview of the entire school system.

## Education Week at Lorne Akins

The Lorne Akins School, in co-operation with the Parent Advisory Committee and

AADAC, is sponsoring a special program on Tuesday evening March 2 at 7:30 p.m., in the gymnasium at the Lorne Akins Junior High school. The program will be about the use and abuse of drugs and alcohol by teenagers but it will focus on some of the more basic problems, such as, parent-teen-ager communication, valuing, and life skills that many of us may have to deal with.

Mr. Irwin Bliss from AADAC will be making two presentations.

1. 'Human Relationships' - a series of slides set to contemporary music that emphasize values, communication, sharing and relationships with people.

2. 'No Tears for Kelsey' - a frank, mature film that portrays a very serious teen-age family breakdown situation.

The evening will conclude with small discussion groups for those who wish to participate and an opportunity to obtain pamphlets and information from a display area.

## Education Week at Paul Kane

Paul Kane High School, in keeping with the theme of Education Week 1976, "Education, How Do You See It?", is having an open house and presentation on Wednesday, March 3, from 9 a.m. to 2 p.m. and from 7 p.m. to 10 p.m.

The theme for this year is a very appropriate one, with growing concern being expressed in all quarters about education and standards, curriculum, innovations and backlash. The interested public is invited to attend the activities and partake of classroom presentations, demonstrations, formal and informal discussions, and project exhibits.

Classroom visits will continue all morning until two in the afternoon. The evening program will include some fine entertainment, featuring the school band. The Paul Kane Debate Club will be on hand with their version of "The Great Debate" on the topic: "be it resolved that parents should have an important role in curriculum development." There will also be refreshments served and a sale of products from the home economic room.

The administration and staff of Paul Kane welcome you and hope that you will join them in exploring the dimensions of, and express opinions on, education. How do you see it? Come and express your thoughts.

The St. Albert Welcome Wagon Newcomers Club will be celebrating its 10th year as a club on Tuesday, March 2nd. A special evening has been planned for this event and guests who served on former executives have been invited to attend.

## Bruins drop playoff opener in Fort

St. Albert Junior Bruins lost their opening game in a best of seven semi-final series in Fort Saskatchewan Sunday by a 6-4 score.

The second game was played in St. Albert last night but results were not available at press time.

The third game will be played in Fort Saskatchewan Friday, February 27th at 8:30 and the fourth in St. Albert Sunday night at 7:30 p.m.

Bruins finished the regular season play in a fourth place tie with Leduc but were granted the last playoff spot because of a better win-loss record between the two teams. (See attached standings).

Dennis Sanchez was the Bruins top scorer with 38 goals and 24 assists for 62 points, only 11 behind Darrell Poff of Enoch. Jim McComb finished in

eight spot and was St. Albert's only other player in the top 10.

Sunday's game at the Fort saw the first period end a 1-1 tie with Tim O'Neill scoring for St. Albert and Rick Rumbor for the Traders.

Bruins fell sport in the second period and were outscored 4-1 and trailed 5-2 going into the final period. Ron Merkel scored the Bruins lone goal.

Tim O'Neill scored two third period goals for a three goal performance but Bruins couldn't close the gap and lost 6-4.

Bruins coach Ron Yanosik feels his club can play much better and is looking forward to a seven-game series before its all over.

Sherwood Park opened their best of seven series with Stony Plain Friday with a 5-4 win.

St. Albert Comets scored an easy 6-2 win over Drayton Valley Rebels Sunday evening in St. Albert in the opening game of the senior provincial playoffs.

Comets will have a four-goal lead going into the second game of the two-game total goal series in Drayton Valley Saturday, February 28th at 8:30 p.m.

A win in Drayton Valley would advance Comets into the second round against their old rivals, Westlock Eagles.

Eagles won their opening round with the Edmonton Bruins on a pair of 7-6 and 4-3 overtime wins. Eagles coach Roger Laplante feels the series with St. Albert will produce some of the finest senior hockey to be seen this season.

In regular season play Comets have won all three games by scores of 7-3, 6-4 and 4-3 in overtime. Comets overtime win was the first overtime loss for Westlock in four years of league and provincial play.

Both teams have excellent skating clubs and play good, hard, clean hockey.

Sunday's game in St. Albert saw the best crowd of the season (250) attend and watch Comets completely dominate the game for their opening win in provincial play.

Comets led 3-0 after the first period of play on goals by Danny Twopich, Brian Georgy and Perry Pearn. All three came within a span of two minutes late in the period.

Wally Monson scored the only goal of the second period to give St. Albert a four-goal lead going into the final period of play.

Rebels finally got on the

scoreboard with a pair of goals within a minute of each other as W. Stevenson scored at 7:08 and G. Wilkes at 8:35.

They were the only two that Comet goalie Zane Jakubec was to allow.

Comet captain Richie Perault scored St. Albert's fifth

goal at 9:42 and Dave Glasgow made it 6-2 at 13:59.

St. Albert outshot Rebels 43 to 25 and took nine of 13 penalties called.

## Balers take zone from Hinton Braves

St. Albert's Peewee "BB" Balers came on strong on Sunday in Hinton to take a two-game total point series away from the locals by a 11-5 count for the series.

Following the game Saturday in St. Albert, the Balers were behind 4 to 3 in goals, however on Sunday in Hinton they completely outclassed the Hinton team and outscored them 8 to 1.

On Saturday the Balers started very slowly as it seemed they were still thinking about their trip to Quebec. However, Coach Al Laplante got them going after they fell behind 3 to 0. The Balers poured it on and made a terrific game of it, with the final ending 4 to 3 for Hinton Braves. Scoring for the Balers were Kelly from Gray and Clark, Hammett from Myck and Kelly and Sander from Laplante.

Then early Sunday morning the team travelled to Hinton for the second encounter. The Balers didn't take long to get started in this one as they scored three goals in the first minute and it was a terrific team effort from then on. The game was a hard hitting game as the Hinton team are a big rugged club and started to hit hard after they got behind. However, the flying Balers continued to press and ran

up an 8 to 1 score for the game and 11 to 5 in the series. Goalie Ron Malo played steady in goal and kept them from increasing their count.

Scoring for the Balers on Sunday were Ricky Gray from Holliday and Weller. Myck from Gray, Holliday unassisted, Weller from Myck and Gray, White from Hammett and Gray, Odlinga from Hunt and Holliday,

Hammett from Gray and Hammett from Holliday.

Paul Kelly was injured in the Saturday game and remained in the hospital when the team travelled to Hinton, however, it was learned that he is now released and ready to go.

Next Baler action is this coming Thursday against Sherwood Park in St. Albert at 7:30 p.m.

## Legion Seniors rink wins Provincial berth

After winning the zone championships in Calmar, the St. Albert Legion Seniors rink of Lorne Brothen - skip, Elmer Beisiegel - third, Bill Eschak - second, and lead-

Lou Rough, went on to meet Westlock, Fort McMurray, and Edson in the District Playdowns, which were held in Edson.

The St. Albert rink came up with an easy victory over Fort McMurray in their first match, and with similar victories, against the other rinks, came out on the A side of the tournament. Westlock won the B side, and St. Albert played them again for the championship. This time

however, Westlock came back to beat the Brothen rink with their last rock.

The third and deciding game came right down, again to a last rock situation, but the St. Albert rink came out on top to win the District finals.

The local Legion rink will leave for the Provincial Playdowns in Beaverlodge on Thursday, March 4. There will be seven teams competing for the championship, in a round robin tournament, with the A side winner playing off with the B side winner, in the best of three final.

## St. Albert Juveniles play Legal to 6-6 tie

On Friday, February 20th the St. Albert Juveniles, a representative of the LBH 2 x 4's and Tundra Truckers, played the Legal Voyageurs to a 6-6 deadlock in Legal.

The Legal team recently completed their schedule in the Northern Alberta Rural Hockey League and were first place finishers.

Scoring for St. Albert were

Brian Harris with two, Grant Harder, Gary Muzichuk, Wade Carter and Bob Carstairs. Wayne White played a superb game in goal, stopping numerous scoring opportunities.

The Legal Voyageurs will play in St. Albert on March 5th as a benefit game for Cystic Fibrosis.

AN EIGHT-ENDER does not come along very often and the curlers shown above are not likely to forget this one. The rink, headed by Danny Swall was curling in the Saturday Night Mixed League, when in the sixth end, they layed this eight-ender. Up to this point, the game had been fairly close, with Swall winning 4 to 3. The Swall rink, which has curled together for the last four years, consists of third - Barb Swall, second - Dave Rudge, and lead - Daphne Rudge (to the right), all of St. Albert.

# Barons defeat Leduc - take lead in provincials

A four-goal second period outbreak by St. Albert's Sportshop Barons Monday, carried the hometown midget representatives to a well-deserved 4-1 victory over Leduc in the opening game of the provincial "A" play-downs.

The Barons sport a three-goal lead in the two-game total goal series, with the second game scheduled for 8:30 p.m. Friday in Leduc. The series winner advances to the midget "A" provincial tournament to be held March 18-20 in Fort Saskatchewan.

The Barons broke open a scoreless deadlock at 11:49 of the second period when Real Huot beat the Leduc netminder from close in on a power play, after taking two perfect passes from Glen Longpre and Dale Malanchen.

Just 80 seconds later Don Ouellette scored on a goal-mouth scramble to up the count to 2-0, with Murray Riddell and Larry Sander drawing the assists, and then despite several more good scoring opportunities, the Barons couldn't beat the Leduc netminder until the final three minutes of the period.

Larry Sander, on a power play again, put a perfect backhand midway up the net when he was left all alone in front of the net, after taking a pass from Longpre and Ouellette, and then just eight seconds later, at 17:26, Rick Kreway took a pass from Sander 10 feet out and beat the Leduc netminder with a rising wrist shot.

St. Albert outshot Leduc 22-9 in the middle period, and could have had several

more goals, except for goalposts and some excellent Leduc netminding.

Dan Svensen broke goaltender Glen McRae's bid for a shutout at 2:43 of the final period when a long shot deflected in off what many thought was a high stick, to round out the scoring.

The Barons got excellent play from everyone of their players, but their defence drawing extra praise. The defence provided McRae with excellent protection for most of the night, and although the St. Albert netminder had to come up with a couple of good first period saves, he really wasn't that busy for the rest of the night.

Leduc took nine of 16 minor penalties called in the game before an estimated 400 fans.

As well as taking a three goal provincial playdown lead, the Barons last week clinched first place in the Central Alberta Midget Hockey League.

netminder.

From there on in, it was strictly no contest.

Gilbert Longpre drilled a 40 footer through the goaltender's pads, Ken Strand golfed a Jeff Harmon centering pass high into the net, Dave Shipanoff took a Blaine Galbraith pass and converted a breakaway, and then Larry Sander stole the puck from the last Drayton defender at the centre ice line, and beat the Drayton netminder from 10 feet on a breakaway.

St. Albert took five of 11 penalties handed out.

The win left St. Albert with a record of 20 wins, five ties and three losses in league play.

## ROUGH GAME AT LEDUC

Friday in Leduc a delay of penalty call with just four seconds remaining gave Le-

duc a penalty shot and a tie game, as Andy Vanderless just beat netminder Glen McRae.

The Barons felt "jobbed" in the final period, as they took seven minors in the last 12 minutes, including some on what appeared to be innocent bodychecks.

Murray Riddell was called for delay of game, but in fact the defence man pushed a loose puck under him and out the other side, and when a whistle went the puck was still in Leduc's possession.

St. Albert held a 6-3 lead with just 12 minutes remaining in the game, but Leduc stormed back with three straight goals when St. Albert began getting called for penalties.

Even then, Rick Kreway appeared to give the Barons the win when he scored on

passes from Blaine Galbraith and Real Huot with just three minutes remaining, but the penalty shot was called in the dying seconds.

St. Albert got two goals from Paul McCann, back for his first game in two weeks after being hospitalized with a sore neck after taking a highstick in a game against Stettler.

Other Baron scorers were Ron Sander, with a pair, and Huot and Galbraith.

Sander also picked up two assists, as did Galbraith, while Huot had a four-point night with his goal and three assists.

The Leduc tie was the first point the Broncos have picked up against St. Albert in four games.

St. Albert took 15 of 29 minor penalties called in the game.

## St. Albert Recreation Report

### DRAYTON WIN MEANS TITLE

The Barons required at least a tie in their final match with Drayton Valley at the Arena to clinch the league title Saturday, but for a while it looked like it was going to be St. Albert's fourth loss of the season.

Drayton Valley jumped into a 4-0 first period lead when they caught the hometown Barons disorganized, and that lead stood up until the 12 minute mark of the second period when Graham Brown finally tallied for St. Albert while Drayton was a man short.

Drayton got tagged for another minor three minutes later and then a major for highsticking 32 seconds after that, and within the next 90 seconds goals by Dave Fraser and Don Ouellette had narrowed the count to 4-3.

It took 66 seconds of the third period for the Barons to jump into the lead for the first time, as Ken Strand backhanded a drive through a maze of players from 15 feet while Drayton was again short-handed, and then Don Ouellette got his second of the night when he found a loose puck at the edge of the crease and calmly batted it by a surprised Drayton

### SPECIAL SQUARE DANCE

A special leap-year dance will be held by the Saints and Sinners Square Dance Club on Saturday, Feb. 21 at 8 p.m., at Sir Alexander MacKenzie School. All intermediate square dancers are welcome. Lunch will be served following the dance. For further information phone Mrs. Pat Jenkins at 455-7278.

### TOASTMISTRESS CLUB

Anyone interested in improving their communication skills are invited to join the Surgeon Toastmistress Club. The club meets on the 2nd and 4th Wednesday of every month from 8 p.m. to 10 p.m. Interested persons please call 459-8893 or 459-4710.

### TRAVEL SEMINAR

On Sunday, March 14, the Canada West Tourist Association will be presenting a free seminar on travel and recreation in Western Canada. If you're planning your vacation for the summer, the Association will have resource people on hand to inform you on such activities as canoeing, riding, fishing, wildlife and guest ranches. A 16 mm film will highlight the evening called "Beautiful B.C." The seminar will be held at Sir George Simpson assembly area starting at 7:30 p.m. Those interested please register by phone or in person at the Town Hall

Parks and Recreation office - 459-6601.

### ACTIVITIES FOR THE HANDICAPPED

Beauty, culture, swim and gym, home economics, sing and dance - would anyone interested in teaching, assisting or enrolling in these kinds of activities please contact Joan Gaunce at the Town Hall 459-6601, Ext. 47.

### PARENTS OF HANDICAPPED

We need your help in planning recreational programs for handicapped children. It is necessary to know the ages, abilities and interests of children to be able to plan adequately for them. If transportation to programs is a problem, we may be able to arrange a car pool to lessen the burden on each family. If you are interested in seeing recreational programs for handicapped develop in St. Albert, please contact Joan Gaunce at 459-6601, Ext. 47.

### ST. ALBERT LEO CLUB

LEO or L - Leadership, E - Experience, O - Opportunity. The LEO's are involved in the St. Albert Lions Club. Meetings are held on the 2nd and 4th Monday of every month at Robert Rundle School Library at 7 p.m.

### ARTS & CRAFTS MEETING

On Saturday, February 28 the public is invited to participate in a public meeting on the role of the Arts and

Crafts Guild in St. Albert. The meeting will cover not only such problems and concerns as participants have but also any ideas and suggestions which can make the Guild more responsive to the community. The meeting begins at 9 a.m. and continues through the day until 4 p.m. Lunch will be provided. The location is Sir George Simpson Assembly Room.

The Hercules Sports Association held its annual general meeting at the clubhouse Sunday afternoon. Attendance was very poor and more help will be required if the 1976 season is to be a success.

Elections were held for a new executive. Results are as follows: President is Don Merrill; Vice-President Terry Ainsley; Treasurer Joe Behiels; Secretary Julie Green; Director of Soccer Gerry McKenna; Director of Softball, Frank Vettergreen; Director of Referees, Herman Kochan and Fund Raising Chairwoman Terry Ainsley. The new executive would like to express their thanks and appreciation for all time and effort the past executive have donated.

With the soccer season not far off, registration will be held fairly soon. However this year, there will be a slight increase in registration fees.

# Mavericks down Leduc Blades in 3 game series

St. Albert Mavericks and Leduc Blades hooked up in

the first round of playoffs for the league championship in a best of three series. Leduc

was willing to play a close checking game and wait for the break but Mavericks had

a different game plan - that of wide open hockey with fast skating and rink wide passes. The latter proved the better strategy as St. Albert walked away with a 13-0 victory in the opening game played in St. Albert. Tim Shipanoff, having his best game of the year, and Peter Twork led the way with three goals each. Pat Poulin followed with two and singles going to Joyal, Stewart, Murray, Neveu and Neeser.

The second game on Sunday in Leduc started off the way the first game ended with Leduc running around

head hunting and St. Albert sticking to hockey and scoring goals. Ben Chabot who had played outstanding at times in the Maverick net and had allowed only one goal in four and one-half periods of this series, had to be carried from the ice in the second period when he was checked while racing to the box on a delayed penalty and did not return to the game. Mavericks went on to win 14-2 and leave little doubt as to who was the better team. The line of Joyal, Harkness and Neveu had a hot night with Terry Harkness

getting three and his line-mates two each. Other St. Albert scorers were Chris Stewart with two while Mowatt, Scott, Neeser, Twork and Murray had one apiece.

Mavericks now meet Fort Saskatchewan in the semi-finals which should be a much closer battle as the Fort beat St. Albert in their last meeting in scheduled play. The first game will probably be played at the Fort because of the lack of local ice with the second game Thursday, March 4 at 7:30 p.m.

## Generals still winning - take twenty-fourth game

St. Albert Standard Generals won their 24th game of the season in the 11-team Central Alberta Junior Hockey League with a 7-5 win over St. Paul Canadiens Thursday in St. Albert.

Generals have won all three games with the Canadiens in league play with wins of 8-3, 6-1 and 7-5. They will be trying for four straight when they travel to St. Paul Thursday night.

St. Albert has clinched a playoff spot in their first season of play in the C.A.J.H.L. and will meet either Jasper, Barrhead or Hinton in semi-final action.

The league will be split into two divisions for play-off starting the first week in March.

Lloydminster, Vermilion, Wainwright and Vegreville will play in the east division while Edson and St. Albert have hooked up berths in the west. Barrhead, Jasper and Hinton are fighting it out for the other two spots.

Terry Kieser paced the Generals win over St. Paul with a pair of first period goals with Barry Medori, Roger Meunier, Dave Grice and Matt Lister scoring the others.

Generals led 5-2 after the first period but were outscored 3-1 in the second for a 6-5 lead going into the final period. Lister's 22nd goal was the only score of the final 20 minutes. St. Albert outshot St. Paul 60 to 34.

Only 12 penalties, six to each side were called by referee Mike Gavinchuck in the cleanly played game.

Generals have only two league games remaining in the 40-game schedule with Hinton Cardinals here Saturday, February 28th at 7:30 and on Sunday afternoon at 3 p.m.. Lloydminster Border Blazers will close out the schedule.

St. Albert will be in Edson tonight against the Arrows.

Playoff dates are not known as yet but the league ends Saturday, February 29th in St. Albert when first place Lloydminster will be the guests.

# When Namao was like a little South Wales

By Jim McIntyre

It's a long time since 77 year old Glen Samis wielded a pick and shovel for coal in the coalesce around Namao, but he remembers the days when that area looked like a mini South Wales.

He recalls there were hundreds of miners from the old country when three big mines producing lignite coal started in the southern part of the MD of Sturgeon just before the First World War.

These were the Banner mine, the Alberta mine, and the biggest of the bunch, the Cardiff Colliery.

These mines, and several others, with evocative names like Boomerang, Star-Key (still operating), Pen, Samis, McDonald, Bell all boomed with activity just after the war years and then folded in the mid-1920's.

There was a brief revival and flurry of mining activity in the 1930s when times were tough and people wanted the lignite coal to heat their houses and buildings.

Mr. Samis, looking out over the winter wastes from his brick-built house on the Namao Ridge, recalls the coal mining days with nostalgia. He points to a bruise on his top lip which he says he got from a piece of falling coal, like so many other miners as they took the risks of the trade to bring warmth and power to the early settlers of Alberta.

He says the mines were not that dangerous to work in as the coal was very near the surface, though the odd time it did have to be timbered up to prevent cave-ins.

Although Mr. Samis was 19 years old, nearly 60 years ago when mining activity was at its zenith in the area, he still has a fine eye for detail. He recalls that up to 500 tons of coal a day was taken out from the Cardiff mine, and the other two, the Alberta and Banner.

"All the mines had a spur line, the spur line from Cardiff ran in two miles and there was a train in every day to take the coal out. The main line ran on up to Athabasca," said Mr. Samis.

"The coal was worth \$1.25 a ton and now it's worth \$16 a ton."

He recalls the 1920 explosion at the Cardiff mine, "but," he added, "the biggest disaster was when we had the strikes."

Mr. Samis pointed out that he wasn't at the Cardiff mine during the strikes, but he heard tales of pickets armed with knives and pistols as the strike dug in.

Mr. Samis said he was hauling feed when the strike was on. The strike came near the end of the Cardiff mine's life.

"The coal was inferior and could not compete with the other mines in the area; the mine did run a little while after the strike, but not long."

But when the Cardiff mine did shut down it was a tragedy for the workers and their families. When the mine shut down about 500 men and their families were living in Cardiff. The town had two stores, a lively stable, drug store, barber-shop and pool room.

One consolation for the families was that the men could turn to farming so that eased the blow when the mining community could no longer rely on coal.

But when the Cardiff mine folded, it was not the end of coal mining for Mr. Samis.

He joined up with the Coal Branch and went off into the mountains to dig for bituminous coal which could be used for steam power and could be coked.

"Working in the mountains you'd come out black like a nigger," said Mr. Samis, "but not in the mines here (in Namao) - the bituminous coal is more powdery."

Mr. Samis said there was a round the clock shift when mining, both in the mountains and in Namao.

"It was hard work," Mr. Samis continued, referring to working the sloping seams in the mountains, "but in those days you were used to it."

Although Mr. Samis is now retired and his son Ronald does the main work when it comes to looking after his farm's 80 head of cattle and six horses, he still maintains an interest in the coal industry.

## ENERGY CRISIS

This is mainly because of the so-called energy crisis.

He thinks there will be more interest in coal as an alternate source of power to natural gas.

"And," he says, "in 10 years, I may not be here, but they'll have something to take the place of gas for fuel."

Mr. Samis said he knew that the City of Edmonton has its eyes on a 1200 acre \$4 million coal seam three miles west of Namao and one mile south.

"I also have a nephew in Ontario working on a (project) to take the place of electricity."

But the old days are fast fading into the pages of history for Mr. Samis. Only a few of the men who worked alongside him in the mines are still alive and many of the owners are long since gone.

Like Levi Parker who took over the Banner mine after Arthur Jarvis, and the engineer of the Cardiff Colliery Mike Saunders.

Mr. Samis says that Elmer

Fawcett, of Edmonton, who used to work in the mines with him is still alive and kicking.

No doubt he, along with Mr. Samis could share the memories of their names

being shouted out at hockey and football games in Namao nearly 60 years ago.

But all that is gone now as Mr. Samis and his wife Elizabeth watch their grandson and his girlfriend hitch

up a horse and cutter.

The horse and cutter glides past the little shack, built in 1899, where Mr. Samis's father used to batch, before the present brick house was built in 1928.

ONE OF THE MINES in the Namao district which is still producing coal - the Star-Key Mine.

## GIBBONS NEWS

By Karen Hogg

The Library Board would like to thank everyone who has returned overdue books and have renewed their library cards for another year. For anyone interested in joining the library it is up in the mezzanine of the arena. Hours are from 6 - 8 p.m. on Mondays, 1 - 3 p.m. on Wednesdays and Thursdays and 4 - 6 on Fridays. Charge for library cards are \$1.00 for adults, 35¢ for children and 50¢ for our Senior Citizens. Everyone is welcome to come to the Gibbons Library.

Everyone is also welcome to attend Coronado Pancake supper to be put on by the United Church Women - Unit #2. Cost is \$2 for adults, 50¢ for ages 6-12. Time is from 5 until 7:30 at the Coronado United Church Hall, on Tuesday, March 2. So give mom a break and take her out for supper.

Anyone interested in starting up macrame on an evening session are asked to contact Mrs. Toane at 923-2382. If enough people are interested classes will begin sometime around the first week of March. At least 10 people are needed to start a class.

Earl Toane of Gibbons is heading down to Saskatoon for one week to attend the annual convention of Federated Co-op. Mr. Toane is president of the Edmonton Federated Co-op. From Thunder Bay to Victoria there are 420 co-ops. At the Saskatoon convention they will be discussing Federated policies and pass resolutions. Mr. Toane left on Monday, February 23, returning at the end of the week. I am sure with weather like this that the trip will be enjoyable.

The snowball carnival is of course coming up quickly. The ice show, slated for the

Friday night, March 18, will carry the theme of "Alberta Heritage." The ice show will only be on the one evening so you must buy your tickets quickly. There will be no tickets for sale at the door. 550 tickets will be sold in all. Watch for posters around Gibbons so you will know where to purchase them.

The Community Centre will again be holding their annual meeting in the Hall on March 2 at 8 p.m., and everyone is asked to come to help support the Centre. Refreshments will also be served on the Hall Board's first annual meeting which was February 18 only one person showed up. Unfortunately if not enough people show up, the hall will have to be closed down because of not enough participation and support. Please go to this meeting and support the group.

Darla Schick is proud to announce the birth of her baby brother, Dean Robert on February 9, weighing in at 6 lbs. 7 ozs. Proud parents are Blaine and Betty of Edmonton and the happy grandparents are Mr. and Mrs. Siirion of Gibbons and Mr. and Mrs. Schick of Bon Accord.

Lloyd and Dorothy Houston are proud to announce the birth of their baby girl on February 14, Valentine's day weighing in at 8 lbs. 13 ozs. now Pam will have a little playmate.

Gary Cuthbert and the Scouts would like to thank Dave Blais for coming out and volunteering his services to work with the boys and go to their meetings. Thank you.

The Scouts are selling tickets for a \$50 gift certificate with proceeds going to the Sylvan Lake camp fund. Tickets are 50¢ apiece or three for \$1.00. The lucky

ticket will be drawn on March 21st.

On February 19 and 20, 11 women from the area took a two day course on leather and made a pair of mukluks, jewellery and belts. Linda McPhee who is usually on the craft segment of CFBN was the teacher and it is reported that the course will be starting up at Horse Hills.

## Education Week Activities

Education sometimes makes headlines. When there's a school tax referendum, when there's a fire in a school, or when teachers and boards are negotiating. But the real basis of education is going on every day, behind the scenes. Education Week is your opportunity to find out what's really happening in the schools. Education Week, March 1 through 7, an invitation to you from all the people involved in education.

Here are some of the activities that will be held in the Sturgeon area.

Bon Accord Elementary-Junior High: March 3, Noon basketball exhibition for parents. Following that a variety of speakers will be heard, in the library, on topics of interest to parents. Some of these topics are "Nutrition and School Lunches" (Louis Folkins, District Home Economist) and Career Education.

Camilla Elementary-Junior High: Wednesday, March

3, 2:30 to 3:30 p.m., "Parents as Pupils." Two 25 minute classes will be held. 3:30 p.m.; general meeting between parents and teachers to discuss timely topics.

Gibbons Elementary-Junior High: Open House, Wednesday, March 3, 1:00 to 3:45 p.m.

Horse Hill Elementary-Junior High: Open House, Tuesday, March 2, 1:00 to 3:40 p.m. Outdoor education, art and social studies displays will be highlighted.

Namao Elementary-Junior High: Open House, Tuesday, March 2, 7:00 to 9:00 p.m. Regular classroom, gymnasiums and drama displays. The new home economics and industrial arts areas will also be available for viewing.

Sturgeon Heights Elementary-Junior High: "Parents as Pupils" night will be featured Monday, March 1. Parents are invited to attend a class of their choosing. The bell rings at 7:30 p.m. sharp.

SEVENTY-SEVEN YEAR old Glen Samis of Namao Ridge reflects on his past as a miner in local coal mines.

# VIMY NEWS

By Darlene Provencal  
Visiting the lovely Hawaiian Islands were Stan and Gail Sissons. I imagine they must have had a wonderful trip. Who wouldn't when you think about lazing around in

that lovely sun for two glorious weeks.

Jack and Jeanette Burns motored to Hines Creek to spend a week visiting with son, Louis and his family.

Jack had the chance to view the newly constructed recreation area there and enjoyed watching a few hockey games.

Ed and Jeanne Sabourin also took a few days off and motored to Grande Prairie last week to visit with Mike and Evelyn Hein and family. I heard from him that while they were there the entire Hein family were all very sick with the flu. Hope everyone is feeling better now.

Fern and Solange Bilodeau took what they think was a well deserved trip since they haven't been on a holiday for years. The spot they chose was Las Vegas and I understand they had a marvelous time.

The annual Hall Board meeting of the Vimy Community League was held on Monday, February 16. The president, Roch Regimbald, called the meeting to order and the minutes of the last meeting were read by secretary, Darlene Provencal. The financial statement was also read. The community hall spent \$5,500 on renovations last year, including new benches downstairs, tables, padded seats upstairs, tinning of the roof, outside painting, and sewer hook-ups. Plans are now being made for more badly needed renovations to take place in '76, but it can't be

done without your full support at the various functions put on throughout the year by the Board.

The floor was then open for nominations for five new board members; three who have served their full term, George Dubois, Leon Blanchette and Darlene Provencal; Henry Ringuette because of illness, and Anne Anderson who has moved away. They have been replaced by Roland Sequin, Yvonne St. Arnaud, Barbara Henderson, Roy Cunningham and Wayne Despins.

The title to the hall was then passed around for

everyone to view. The hall board members would like everyone to know that the title to the hall is now clear and in their possession and they would like to thank the Parish Council very kindly for their full support concerning this matter.

The next thing discussed were pay-pull tickets to be sold on a Texas Mickey. Tickets will be out shortly and the draw will be made at the spring frolic to be held this year on April 24.

The president then thanked the members leaving the board for all their help in the past years and a hand was given for them. Meeting was then adjourned.

## Sturgeon Valley Hockey Playoffs

Semi-final action in the Sturgeon Valley Senior Hockey League got underway last Friday with all four teams seeing action.

First place finishers Morinville, scored a 5-3 win over the third place Legal in the opening game of their best of five series in Morinville. The second game was played in Legal Tuesday, February 24th but results were not known at press time. Games three and four will both be played in Legal on Friday, February 27 (8 p.m.) and

Sunday afternoon at 2 p.m. The other series saw Villeneuve score a 3-2 win on Friday but then lost 3-1 to Namoo on Sunday. Game three was scheduled for Riviere Qui Barre arena Tuesday night but warm weather may cause postponement. The fourth game is also scheduled for Riviere Qui Barre on Thursday, February 26 at 8 p.m., weather permitting. Game five (if necessary) will be played in Gibbons Arena at 2 p.m. on Sunday.

The Club 60 Roses had their weekly get-together on Thursday evening. Twenty-one members were present to enjoy themselves at playing cards. The door prize was won by Mr. Paul Berube. Later coffee and doughnuts were served.

A reminder that on Thursday the 26th the Club 60 Roses will have their monthly birthday party.

## LEGAL CWL NEWS

The monthly CWL meeting was held at the rectory. Thank you letter was read from Mike and Maymie O'Dwyer in appreciation for the lovely crucifix received on the occasion of their wedding. The president, Mary Quaghebeur read a letter from the French Canadian Association. Marcie Tremblay asked the CWL to make publicity for the region of Legal in the Franco paper. The reporter for the Franco is Cecile Coulombe.

The theme for the St. Paul Diocesan convention to be held in Grande Centre, April 6 is "Live the Mystery with Mary His Mother." the diocesan council will try to get a speaker on charismatic. The provincial CWL convention will be held in Westlock, June 5 and 6. The CWL St. Patrick's bake sale will be held March 13, at the Co-op. A food hamper will be raffled. Each member is asked to donate \$2 worth of food for the hamper. Donations will be appreciated.

Five dollars was given to Father Bissonnette for a mass to be said for the repose of the soul of Catherine Steffes (a former CWL member).

If there are enough young couples interested to learn about the Serena method of family planning, Father Bissonnette will gladly get a young couple out to explain it.

A film "The Call for Vocations" will be shown to parents and students in the near future.

Mr. and Mrs. Roger Ouellette wish to announce the engagement of their son Camille Ouellette to Rose Blomberg, daughter of Mr. and Mrs. Stanley Blomberg of Edmonton. They plan to be married on March 13 in Edmonton.

Bernadette Coulombe. The full card winner and \$50 was won by Allan Spielman. There will be another Parish bingo on March 14 at

the Community Hall.

Cash Bingo to be held at the Chateau Sturgeon on March 2nd at 8 p.m. It is sponsored by the MFC. Everyone is welcome to attend.

Mr. and Mrs. Joseph Theberge were specially treated to a dine and dance candlelight evening by their children in honour of their 42nd anniversary. At the occasion, held at the St. Albert Inn, they were presented with a beautifully decorated three layer rum and butter anniversary cake and also with corsages. Everyone had a very pleasurable evening. Here's wishing them many many more.

## BROWNIES AND GUIDES

2nd Legal Pack and 1st Legal Company had a combined "Thinking Day Celebration" on Feb. 25 at 4 p.m., at the Recreation Centre. The girls working on

their hostess badges brought cakes and squares and refreshments. Songs, skits, guitar accompaniment were enjoyed by the girls and the mothers who attended.

The regular meeting of February 17 was a special one for the Girl Guides. They all wore their mid-shirts which they have sewn themselves. As you see in the picture they are right in style.

They ended their meeting with plans to attend the Snowshoe Camp at Sandy Lake on March 20 and 21. This will be enjoyed by both girls and leaders.

# BON ACCORD NEWS

By Sadie Allen

A very successful ice show was held on Saturday, Feb. 21 with a good crowd out to enjoy the show. Featured skaters were Alberta novice champion Miss Pamela Arndt and pairs skaters, Karen Thomas and Robert Arndt, who placed third in Alberta novice. Guest performers are members of the Royal Glenora skating club, Edmonton, and their appearance at our show was much appreciated by all. A good crowd enjoyed the really super Bean Supper hosted by the #524 Cadet Squadron. Chuckwagon races following the ice show proved to be a crowd pleaser with the Jumping Broad Beans comprised of the Crichley, McDonald and Reichle pairs beating out the other two finalists by a mere two seconds. Twelve teams competed in the event. Members of the NHLers hockey teams managed the concession area (assisted by their good ladies) and did a roaring business after the show. Mrs. Sandra Miskolzie was presented with a crystal

bowl by Tammy Wyness on behalf of the skaters and the carnival organizers in appreciation of all the hours spent in getting the ice show in shape. Thank you, Sandra, and a thank you to Marg Sullivan for her assistance.

An NHL tournament was staged on February 2 with the two Bon Accord teams playing at 11 a.m., and Gibbons Indians meeting Coronado Cougars at 1 p.m. The consolation finals between Bon Accord Oldtimers and Coronado saw Coronado edge Bon Accord by a 4-2 score. The final game between the Outlaws and Indians was postponed due to ice conditions but will be held later.

Get well wishes to Mrs. Lil Schick in Sturgeon General.

Congratulations to Blaine and Betty (nee Storton) Shick on the birth of their son, Dean Robert, 6 lbs. 7 ozs, on Feb. 9, a brother for Darla.

Ladies Community Club

will meet at the home of Dorothy Rigney on Wednesday, March 10. A cordial invitation is extended to all.

A free evening of entertainment for the entire family, featuring a film for the family to enjoy, and sponsored by the Alberta Wheat Pool will be held in the Bon Accord Community Centre on Wednesday, March 10th at 8 p.m. Everyone is welcome to attend. Doughnuts and coffee will be served.

A pancake supper will be held in the Cave at the Arena on Shrove Tuesday, March 2nd from 5 - 7:30 p.m. Prices are \$1.50 for adults and over 12, 75 cents for 6 - 12 and free for under six, if accompanied by a parent.

A course in bookkeeping gets underway at the Bon Accord school on Tuesday, March 2 at 7:30 p.m. The course is being conducted by Mike Hartley, costs \$8 and there are still a few openings.

There was a very good turnout for the Fish and Game meeting held on February 12. Thirty-one members are on the roster. Ken New is membership chairman and Andy Slisinski is vice-president. Arlene Irfam, Jim Thompson, Adam Franchuk, Joe Zendran and Alan Wispinski attended as visitors. A snowball draw was started at this meeting wherein all members names are entered. If the person

whose name is drawn is present he/she wins a prize. Tough luck for Carl Neilson, whose name was drawn and who was not present. This prize will be held over until the next meeting and the lucky name will receive both prizes, providing he's in attendance. A sincere apology to those who arrived to find the front door of the community centre locked. The club had a little trouble with the new doors which refused to stay unlocked. Two very interesting films - Keepers of Wildlife and Temples of Time were shown by Jim Goulet. The next meeting will be held at the Bon Accord school on Thursday, March 11 at 8 p.m.

A book exchange is being set up in the balcony of the Bon Accord Community Centre with proceeds going to community activities. Donations of books would be much appreciated and may be left with Joan Hill or Sadie Allen. Tentative plans are made to hold the exchange open one afternoon and one evening a week starting Thursday, Feb. 26 from 7 - 9 p.m. and the following Thursday from 2 - 4 and 7 - 9. A small charge will be made on a book for a book basis. If no book is exchanged then a larger amount will be charged. We ask your support for this project, not only to raise money to help out the Rec. Board but to provide a much needed community service for all those who love to read.

Tickets for the Satellite dance on February 27 are still available from Pauline or Doreen. The price is a little higher than usual but the orchestra has raised its price. It takes inflation to meet inflation.

The UCW afternoon group meets in the United Church on Wednesday, March 3 at 1:30 p.m. You are all reminded of the World Day of Prayer which encompasses all denominations, which will be held in the Bon Accord United Church on Friday, March 5th at 7 p.m. Coffee will be served.

Western Canada Sweepstake tickets for the May 12 draw are now available from members of the Golden Gems. Last time we had a \$1000 winner. This time it may be one of the big ones and it could be your turn.

Local singer, Miss Tracey Spencer will be on "Kiddies on Kamera" over 3TV on Saturday, March 6. Tracey will be appearing in the talent show finals being held at St. Albert on March 19.

The bingo jackpot is now \$425 in 51 numbers. The bonanza was shared by Bernice Strid and Sandy Herd, and Joan Hill won the jackpot consolation on Feb-

ruary 22nd.

Coat hangers are urgently needed for the arena. If you have any to spare they may be left at Pauline's or taken to the arena when the concession area is open.

With at least four different categories for soccer teams coming up this year coaches for some of the teams are urgently needed. Bon Accord teams will be playing in the Fort Saskatchewan league. Anyone interested in coaching or playing soccer may contact John Doughty at 921-3620.

Winner of the door prize for the UCW tea held on February 14 was Karen Webster.

Six more personnel, men and/or women are urgently needed by the Bon Accord S. John Emergency Service. Training and literature supplied. For information contact Nigel Mansfield at 921-3625.

## NAMAO NEWS

By Norma Crozier  
Ge well wishes go out to Mrs. Bertha Speers and to Bernadette Huber who are both patients in Royal Alexandra Hospital. We wish them both better health very soon.

Mr. and Mrs. Dick Lowe are back home from a winter holiday in Hawaii. They specially enjoyed the farming aspect of the country. Dick rode a tractor and they picked coconuts and pineapples. Also visiting Hawaii

Mr. and Mrs. Donald Potter are home sporting furs. Mr. and Mrs. Jack McEay have returned from a month bus tour to 17 states, visiting Miami, Florida and a ship cruise to the Bahamas.

Square dancing lessons are still being offered in the Namao Community Hall on Friday evenings at 7:30 p.m., a charge of \$1 per person per evening. Everyone is welcome to come out and dance.

## Ag-safety tips

In the average time it takes an operator to cross an intersection with a tractor and trailing piece of equipment, an approaching car can travel at least 800 feet. Look carefully before crossing.

It takes only a very small amount of electricity, which is used on every farm, to cause a fatal accident. Actually, the amount of current needed by a small Christmas tree bulb is enough.

# MORINVILLE MEMOS

By Marg Bentz

On Saturday, February 28, at 8 p.m. the firemen will be celebrating 25 years of recorded service at the "Fireman's Ball" in Morinville. The dance and midnight buffet will be held at the Recreation Centre with entertainment by Bob Layton and the Twiliters. Admission is \$6 per person and tickets may be purchased at the Royal Bank, Credit Union, Paul's Confectionery or any firemen.

Heritage Lake has been cleared and swept for skating.

Signs will be posted (skate at own risk) and further signs will be posted when the ice is dangerous to skate on.

Mr. and Mrs. Marcel Gervais are proud to announce the birth of their first born, Kevin Joseph, who weighed in at 7 lbs. 7 oz. The little sweetheart was a Valentine's baby (February 14, 1976). Proud grandparents are Mr. and Mrs. Lucien Labonte and Mr. and Mrs. Andre Gervais.

The Central Sturgeon Agricultural Society is still looking for a suitable name

for the new multi-purpose building. How about a few suggestions on the naming of this new building which is definitely giving Morinville and surrounding areas bigger and better sports facilities. Phone Mary Hittinger at 939-4473 or Paulette Houle at 939-4648.

Hawaii certainly seems the place to be this winter! Gary and Rena Bland returned home last week after a two week holiday on the islands. O.K. radio and Morinville listeners will be very pleased that Rena is back.

The Ag. Society is sponsoring a "Skate-a-thon" on February 29 on Heritage Lake (weather permitting). Sponsor booklets may be picked up from Ros Cust at 10006 - 103 Street, Phone 939-4100 or from Paulette Houle at 9716 - 99 Ave. Phone 939-4648.

George and Yvonne Vranas recently returned home from a five week holiday in Phoenix, Arizona. The couple combined business with pleasure and attended a convention while there. Welcome back George and Yvonne!

Farmer's Market will be held again this year beginning May 1, 1976. Those with any produce to sell (bedding plants, etc.) should call Ken McKenzie at 939-3009.

The next social evening for the Rendre-Vous Club will be St. Patrick's on March 17.

A new babysitting service has been started by the "Alternatives for Youth Office" at Georges P. Vanier School. For more information or for a reliable babysitter phone 939-4069 weekdays between 11:05 - 11:45 a.m., and 3:00 - 4:00 p.m. and ask for Ruby or Rachelle.

The next rummage sale for the Guides and Brownies will be held on April 7. Any items can be dropped off at the home of Mrs. P. Ramer, 10108 - 104 Avenue, Morinville.

Get well wishes to Colleen Brisson who just returned home from a short stay at the Sturgeon General Hospital.

Frontier Daze Committee reminds those who would show their arts or crafts during Frontier Daze, to begin preparation of same.

There will be no Easter Holidays this year, instead there will be a Spring Break. The spring break will be during the week of March 29 to April 2. Also, there will be no school on Good Friday (April 16) or Easter Monday (April 19).

Reader's co-operation in telephoning or bringing in news items is much appreciated and as early in the week as possible. News items are completed Sunday evenings for delivery Monday to the Gazette. Please phone 939-4145 or stop in at 9901 - 99 Avenue.

On February 9, 1976, the Pembina Federal Progressive Conservative Women's Association gathered at the Frontiersman Hotel in Morinville for their general meeting.

There was a good turnout of ladies and Peter Elzinga, the Member of Parliament for Pembina, was present to talk with them about parliamentary procedures in Ottawa and the importance of individuals becoming involved in politics.

This active group plans to get together again in Fort Saskatchewan on April 12 to discuss the proceedings of the National and Provincial Conventions. Any ladies who are interested in attending

can call Mrs. Karen Clipperton, Sherwood Park, 922-2578 or Mrs. Gladys Bigg, Westlock, 342-5249.

The delegates to the Provincial Convention were Muriel Abdurahman, Ollie White, Gladys Bigg and Karen Clipperton. The alternate delegate is Pat Elzinga.

## Morinville Hockey News

Bantam A lost their two game total point series with Athabasca in provincial playoffs.

Mite A powered their way through two playoff games beating St. Albert 7-2 and Redwater 14-0. Marshall Lalonde led the scoring parade with nine, followed by Chris Bokenfohr (8), Rick Mulligan (2) and Keith Streeter and Philip Schayes each got one.

Mite B lost Friday afternoon to St. Albert 4-1. Jay Enright picked up the lone marker.

Shaver A (Andy's Trucking) lost out in the finals of the Redwater Tournament 1-0 in the first period of overtime to the Redwater team. Last Saturday, Feb. 21. The young fellows lost their first game 3-2 to Bon Accord but beat Gibbons 2-1 to stay alive in the round robin affair. Goal scorers were Jay Enright (2), Casey Bentz (1) and Kevin Paul. Shaver B (Cinq Concrete) lost to Legal on Saturday 5-4.

### BRAVES TOURNAMENT

Alexander Braves won the main event in their tournament (Feb. 21 and 22) by beating the Calgary entry (Sarcee). Meantime the Reserve's other team collected the remaining hardware by beating Duffield in the "B" event.

A special thank you to those many volunteers who worked the kitchen and gates during the tournament.

### GOODTIMERS

Morinville Goodtimers beat the Liquor Board (12-10) last Monday at home. The teams big offensive was spearheaded by Glen Rominuk (6), Bob Pearson and Dave Pezer each scored twice while Marcel Chailifoux and Jim Wood picked up singles.

Friday evening they travelled to Spruce Grove where they beat the Golden Oldies 5-2. Leo Lalonde swished the mesh twice while Richard Maceus, Bob Pearson and Allan Bentz notched singles.

Goodtimer annual tournament will be held March 6 and 7. Schedule to be published next issue.

### SENIOR HOCKEY

Morinville Motors senior hockey team took the opener in their semi-final series with Legal Canadiens Friday evening (Feb. 20) 5-3 before a near sell-out crowd. Morinville led all the way with the exception of 13 minutes and three seconds in the first period when Legal had tied the score.

Assistant Captain Carl Royan started the proceedings at 5:45 of the opening stanza on a set up from Rick Wright. Canadiens tied the contest one minute and 13 seconds later, which is how the scoreboard stayed until Wayne Miller altered the figures 3:3 seconds into the second period from a Jack MacAskill. John Bailsille set up. Guy Chailifoux (assist) Carl Royan and Norm Bohl and Terry Maslyk (assist) O'Neil Chevalier and Randy LaBelle both scored before the end of the second as did Miller, closing Morinville's offence for the night. Legal managed one goal late in the second frame and one more at 12:07 of the final act to leave Morinville move ahead one game to none in their best of five semi-finals.

Playoff action will be resumed Tuesday evening 8 p.m. in Morinville. Game three will be played Friday 8 p.m. at Legal; games four and five, if necessary - Sunday, February 29 - 2 p.m. at Legal and Tuesday, March 2 at Morinville - 8 p.m.

Winners of pool #1 were \$15. - 1st period, Wayne Vranas; \$15. - 2nd period, Ben Marcoux; \$30 - final, Ken McKenzie.

## UNIT PRICING

In addition to showing our prices, the shelf tags will carry new comparison information to help you make buying decisions to determine the best buy from a group of items.

This program gives you information showing the "Price per Pound" "Price per Ounce" "Price per Pint" or other unit comparison that best fits the group of products.

### Here's How It Works

Compare the "Price per Pound" in a 454 gram Package (left tag) of soda crackers with the "Price per Pound" in a 907 gram package (right tag). In the 454 gram package it costs 68.9¢ per pound while the same soda crackers in the 907 gram package costs 64.5¢ per pound.

| \$ .645 per pound              |      | \$ 1.29       |      |

### PLANNING AHEAD

Safeway has been experimenting with unit pricing since 1969. This experimentation has covered all phases of handling, processing and customer reaction. This program we are installing is well tested and the most up-to-date with the equipment we have. It is a completely computerized program.

Incidentally, our customers will recognize that forms of unit pricing have been used for many years in all our stores. On fresh meats and natural cheeses for example, we have long shown the "Price per Pound" and the "Total Price per Package" on each label.

### How To Read The Tag

REMEMBER: The "Unit Price" is not the only thing to be considered in selecting the best buy for your family.

CONSIDER QUALITY: Keep in mind the taste, eating and appearance differences. Think how you will use the product.

CONSIDER QUANTITY: If there's too much in a large package to be used within a reasonable amount of time, a smaller package may be a better buy for you even when the larger size costs less "per pound" or "per pint".

OTHER FACTORS TOO! Personal and family preferences should also be considered. No Food, regardless of price is a good buy unless it is eaten and enjoyed.
